Smart Parenting In Digital World

Oct 04 2022 This book is all about Smart Parenting in the world of Technology. Today, we must know how children behave and how they should be managed. Every Parent must understand how they can make their child a smart child using latest technology without letting them misusing it. Every Parent must have the basic understanding about the psychology of their child and management of the technology for the child. Parent can not and should not

take their child away from the technology but they must understand how they can manage it for them. So, here we have the book Smart Parenting In Digital World, Written by National Award winning author, Mr. Shashank Johri. He is in the field of Technology for more than 20 years and he worked with Cyber Police and Cyber cells. He has taken Workshops about the Cyber security in different places and Now here he is introducing the parenting strategy of future. In this book you will be learning about different types of children and their behaviour. Also you will be learning about how to
