**Zoological Society Bulletin** Dec 23 2019

**Memoirs of a Rose Man** Oct 13 2021

*For the Roses* Mar 18 2022 Discovered abandoned as a baby in a New York City alley and raised by the Clayborne brothers, four urchin boys, Mary Rose Clayborne remains fiercely loyal to her misfit family until an English lord reveals a shocking secret that sends her into a confrontation with her past.

Reissue.

**The Rose Man of Sing Sing** Sep 24 2022 This biography of the early 20th-century newspaper giant who became news after killing his wife “has the pace and detail of an engrossing historical novel” (Boston Herald). As city editor of Joseph Pulitzer’s New York Evening World, Charles E. Chapin was the quintessential newsroom tyrant: he drove reporters relentlessly, setting the pace for evening press journalism with blockbuster stories from the Harry K. Thaw trial to the sinking of the Titanic. At the pinnacle of his fame in 1918, Chapin was deeply depressed and facing financial ruin. He decided to kill

himself and his wife Nellie. But after shooting Nellie in her sleep, he failed to take his own life. The trial made one hell of a story for the Evening World's competitors, and Chapin was sentenced to life in Ossining, New York's, infamous Sing Sing Prison. In *The Rose Man of Sing Sing*, James McGrath Morris tracks Chapin's journey from Chicago street reporter to celebrity New York powerbroker to infamous murderer. But Chapin's story is not without redemption: in prison, he started a newspaper fighting for prisoner rights, wrote a best-selling autobiography, had two long-distance love affairs, and transformed barren prison plots into world-famous rose gardens. The first biography of one of the founding figures of modern American journalism, and a vibrant chronicle of the cutthroat culture of scoops and scandals, *The Rose Man of Sing Sing* is also a hidden history of New York at its most colorful and passionate.

**Ruthless King** Mar 06 2021 After a decade spent claiming a throne for himself in the seething violence of the criminal underbelly, all Donatello Vanici craves now is peace. Only a union forged between his heir and the most powerful mafiya family in existence could ever be strong enough to end the bloodshed for good, but the Stepanov head resists his overtures at every turn... Until tragedy strikes, and forces Donatello's hand. Haunted by a past that dogs her every thought, Willow Stepanov will do anything for the man who adopted her--until a chance encounter with the enemy lands her right in the middle of a dangerous power struggle and a war that grows more violent and vicious each day. But it's not just her future her captor holds hostage. He is a man with nothing left to lose--while she may just lose everything. Her life, her family, and her heart... *Mice and Men* is a new standalone series in the War of Roses Universe.

**Men of War** Nov 14 2021 In the grand tradition of John

Keegan's enduring classic *The Face of Battle* comes a searing, unforgettable chronicle of war through the eyes of the American soldiers who fought in three of our most iconic battles: Bunker Hill, Gettysburg, and Iwo Jima. This is not a book about how great generals won their battles, nor is it a study in grand strategy. *Men of War* is instead a riveting, visceral, and astonishingly original look at ordinary soldiers under fire. Drawing on an immense range of firsthand sources from the battlefield, Alexander Rose begins by re-creating the lost and alien world of eighteenth-century warfare at Bunker Hill, the bloodiest clash of the War of Independence—and reveals why the American militiamen were so lethally effective against the oncoming waves of British troops. Then, focusing on Gettysburg, Rose describes a typical Civil War infantry action, vividly explaining what Union and Confederate soldiers experienced before, during, and after combat. Finally, he shows how in 1945 the Marine Corps hurled itself with the greatest possible violence at the island of Iwo Jima, where nearly a third of all Marines killed in World War II would die. As Rose demonstrates, the most important factor in any battle is the human one: At Bunker Hill, Gettysburg, and Iwo Jima, the American soldier, as much as any general, proved decisive. To an unprecedented degree, *Men of War* brings home the reality of combat and, just as important, its aftermath in the form of the psychological and medical effects on veterans. As such, the book makes a critical contribution to military history by narrowing the colossal gulf between the popular understanding of wars and the experiences of the soldiers who fight them. Praise for *Men of War* “A tour de force . . . strikingly vivid, well-observed, and compulsively readable.”—*The Daily Beast* “Military history at its best . . . This is indeed war up-close, as those who fought it lived it—and survived it if they could. *Men of War* is deeply

researched, beautifully written.”—The Wall Street Journal “A brilliant, riveting, unique book . . . Men of War will be a classic.”—General David H. Petraeus, U.S. Army (Retired) “The fact is that Men of War moves and educates, with the reader finding something interesting and intriguing on virtually every page.”—National Review “This is a book that has broad value to a wide audience. Whether the reader aims to learn what actually happens in battle, draw on the military lessons within, or wrestle with what actually defines combat, Men of War is a valuable addition to our understanding of this all-too-human experience.”—The New Criterion “A highly recommended addition to the literature of military history . . . [Rose] writes vividly and memorably, with a good eye for the telling detail or anecdote.”—Kirkus Reviews (starred review) “Using the firsthand accounts of brave soldiers who fought for freedom, Rose sheds new light on viewpoints we haven’t heard as widely before. It’s a welcome perspective in an era where most people have no military experience to speak of.”—The Washington Times “Rose poignantly captures the terror and confusion of hand-to-hand combat during the battle.”—The Dallas Morning News “If you want to know the meaning of war at the sharp end, this is the book to read.”—James McPherson, Pulitzer Prize–winning author of *The War That Forged a Nation*

Red Roses Mean Love Jul 22 2022 Yellow for friendship. Pink for passion. But . . . Red Roses Mean Love. She dreamed of roses.... Orphaned and abandoned by her fiancé, Hayley Albright is determined to care for her younger siblings even if it means having to give up her own dreams. She doesn't expect to ever find love or get married . . . until one moonlit night when she saves the life of a mysterious stranger. . . . And he wants only to make her dreams come true.... Lord Stephen Barrett woke up gazing at the face of an angel. He

was alive. And safe, for now, from the killer stalking his every move. Allowing Hayley to believe he is just a tutor of modest means, Stephen stays on for reasons of his own, never anticipating the passions Hayley would stir in his cold, wary heart. Her innocence is pure seduction. Her touch is sweet temptation. And suddenly the man who has everything is willing to risk it all--for a woman who has nothing to give . . . but all her heart. . . . From the Paperback edition.

**Orwell's Roses** Feb 05 2021 Finalist for the National Book Critics Circle Award for Nonfiction Finalist for the PEN/Jacqueline Bograd Weld Award for Biography “An exhilarating romp through Orwell’s life and times and also through the life and times of roses.” —Margaret Atwood “A captivating account of Orwell as gardener, lover, parent, and endlessly curious thinker.” —Claire Messud, Harper's “Nobody who reads it will ever think of Nineteen Eighty-Four in quite the same way.” —Vogue A lush exploration of politics, roses, and pleasure, and a fresh take on George Orwell as an avid gardener whose political writing was grounded by his passion for the natural world “In the spring of 1936, a writer planted roses.” So begins Rebecca Solnit’s new book, a reflection on George Orwell’s passionate gardening and the way that his involvement with plants, particularly flowers, illuminates his other commitments as a writer and antifascist, and on the intertwined politics of nature and power. Sparked by her unexpected encounter with the roses he reportedly planted in 1936, Solnit’s account of this overlooked aspect of Orwell’s life journeys through his writing and his actions—from going deep into the coal mines of England, fighting in the Spanish Civil War, critiquing Stalin when much of the international left still supported him (and then critiquing that left) to his analysis of the relationship between lies and authoritarianism. Through Solnit’s celebrated ability to draw

unexpected connections, readers are drawn onward from Orwell's own work as a writer and gardener to encounter photographer Tina Modotti's roses and her politics, agriculture and illusion in the USSR of his time with forcing lemons to grow in impossibly cold conditions, Orwell's slave-owning ancestors in Jamaica, Jamaica Kincaid's examination of colonialism and imperialism in the flower garden, and the brutal rose industry in Colombia that supplies the American market. The book draws to a close with a rereading of *Nineteen Eighty-Four* that completes Solnit's portrait of a more hopeful Orwell, as well as offering a meditation on pleasure, beauty, and joy as acts of resistance.

The Harvard Advocate Apr 26 2020

*Mended Crown* Aug 11 2021 A broken engagement should signal the end of the feud blazing between the Stepanovs and Vanicis-barring one small hitch no one foresaw: a surprise pregnancy that could turn this petty misunderstanding into outright war. For Donatello, this new baby is a shred of hope after nearly a decade of misery-one he won't forfeit without a fight. For Willow, this ordeal is a glaring reminder of her own conflicted loyalty, leading to a choice she will have to live with for the rest of her life... Salvaging this union will be the hardest, bloodiest war Donatello has fought yet. But, as the danger looming above the city reaches a breaking point, will they outlast the violence with their lives-and hearts-intact? *Mice and Men* is a new standalone series in the War of Roses Universe.

Wars of the Roses Nov 02 2020

**The Rose Man** Jun 21 2022 FROM POPULAR AUTHOR OF LGBT+ ROMANCE CHERYL DRAGON A My Bloody Valentine story The Rose Man knows where his targets live, work and play... One dead body. Two missing men. Three red roses... So far... Deputy Ben Grover is the only gay man in the

sheriff's department and gay men seem to be the target of a stalker who leaves a rose on their windshield. With missing persons involved, the sheriff welcomes the help of the FBI, but Ben isn't so thrilled to be working with Agent Ross Burns, his high school ex. Ross had aspirations that took him far from the small town while Ben had obligations that kept him back. But they won't let their scorching past or the feelings that blaze into passion now get in the way of catching a killer. Both are convinced there are more rose recipients out there—The Rose Man seems to be counting down to Valentine's Day and roses tend to come by the dozen...

**Herbal Body Book** Aug 23 2022 Jeanne Rose's Herbal Body Book pairs a wide variety of ailments with possible plant cures. Each plant recommended is described in anecdotal detail. This book includes recipes for the newcomer and expert. It also includes a glossary of specialized terms, herbs, and recipes. Everything you need from hair products to belly salve for a pregnant woman is inside this most useful companion. Jeanne Rose encourages the reader to make your own blend of herbs to target specific conditions and not only follow a limited number of recipes.

Remember the Roses: How to Hold Out, Hang On, and Marry

the Man of Your Dreams Apr 07 2021 There are 65 million single women in the U.S. and many more worldwide, yet most feel like one of few, living single in a doubles world. Enter Remember the Roses -- a go-to-guide for the woman longing for true love and needing hope 'til it arrives. Based on a dream of a road lined with roses, Lynette Lewis shares her real-life story of waiting until 42 to marry. She outlines practical tools and strategies for: • Cultivating a vision for the BEST, and not compromising • Dealing honestly with emotions of jealousy, frustration, and hopelessness • Holding on to life-giving scriptures and truths relative to singleness • Creatively directing "desire" and "sexual energy" • Living it up while waiting, making the most of every juncture in the journey This entertaining, quick-read book has three sections – the

first highlighting ups, downs, and heartaches (her 65 blind dates!) leading up to the wedding day. The second features “lessons learned” and “gifts received” like *The Gift of Personal Wholeness* and *The Gift of Dreaming Big for Your Life*. Finally, a handful of journal excerpts illustrate common emotions so real when love tarries, along with scriptures addressing these emotions. Women young and old will Remember the Roses long after they read, and will enjoy the on-line community that further encourages book sales and interaction with other readers.

### **The Medieval Soldier in the Wars of the Roses** Dec 15

2021 ‘An essential part of the library for anyone interested in the great political and military upheavals in the 15th century.’ – Graeme Rimer, Retired Former Academic Director of the Royal Armouries ‘A creditable effort to examine a neglected aspect of medieval warfare.’ – Jim Bradbury, Cambridge University Press ‘Everything you need to know about being a soldier in the Wars of the Roses.’ – The Mail Bookshop What was it like to fight in a Wars of the Roses battle? What kind of men fought at St Albans, Northampton, Wakefield, Towton, Tewkesbury and Bosworth? How was the medieval soldier recruited, paid, equipped, fed and billeted? And how was a battle contested once both sides resorted to all-out conflict? First published in 1998, this classic study of the medieval soldier in the Wars of the Roses examines these and other questions using various documentary sources and recent evidence. Eyewitness accounts, contemporary chronicles, personal letters, civic records, archaeology and surviving military equipment are used to paint a fascinating picture of the medieval soldier. Evidence gleaned from the mass war grave found close to the battlefield of Towton in North Yorkshire sheds new light on those that lived and died in the civil wars. But what do we know about the psychology of

those involved? And how did soldiers feel about killing their fellow Englishmen? Andrew Boardman explores the grim reality of medieval soldiering on land and sea during this crucial period of aristocratic violence and dynastic upheaval. He makes us question the current historical record, such as it is, and our perceptions of chivalry and warfare in Lancastrian and Yorkist England. The text is supported by many contemporary illustrations, diagrams and maps, making this updated work an indispensable guide to medieval soldiering in the late fifteenth century.

**Passe Rose** Oct 01 2020

*The Roses Underneath* Nov 21 2019 It is August 1945 in Wiesbaden, Germany. With the country in ruins, Anna Klein, displaced and separated from her beloved husband, struggles to support herself and her six-year old daughter Amalia. Her job typing forms at the Collecting Point for the US Army's Monuments Men is the only thing keeping her afloat. Charged with securing Nazi-looted art and rebuilding Germany's monuments, the Americans are on the hunt for stolen treasures. But after the horrors of the war, Anna wants only to hide from the truth and rebuild a life with her family. When the easy-going American Captain Henry Cooper recruits her as his reluctant translator, the two of them stumble on a mysterious stash of art in a villa outside of town. Cooper's penchant for breaking the rules capsizes Anna's tenuous security and propels her into a search for elusive truth and justice in a world where everyone is hiding something. In her debut novel *C.F. Yetmen* tells a story of loss and reconciliation in a shattered world coming to terms with war and its aftermath.

*Men of the Mary Rose* May 20 2022 The Mary Rose was one of King Henry VIII's favourite warships until she sank during an engagement with the French fleet on 19 July 1545. Her

rediscovery and raising were seminal events in the history of nautical archaeology. Apart from the Captain and the Vice Admiral, nothing is known about the crew of the Mary Rose - the only evidence about her complement of 415 men rests with their skeletal remains. In *The Men of the Mary Rose* A.J. Stirland uses archaeological and skeletal evidence to give the reader a welcome insight into the soldiers of the Mary Rose, from their ages and height to their health, diet and physical condition. This book examines the building, sinking and raising of the Mary Rose and her historical context, before moving on to the examination of what the remain of the crew can reveal to us about the fighting men of that period. Many new findings have been made through analysis of their bones, including the effects of some activities and occupations on the skeletons of the men. This is the first book to deal with the men who made up the crew of the Mary Rose. It provides an exciting glimpse of Tudor life and the Tudor navy, relating archaeological findings to existing documentary evidence, opening a fascinating window into one of Henry VIII's great ships and a frozen moment of sixteenth-century time. This book will appeal both to professionals in the area, and to those for whom Tudor history holds a general fascination.

**WINTER ROSES** Jul 18 2019 Ivy, who has always been mistreated by her beautiful older sister, Rachel, finds herself in a difficult financial situation: her sister is the only one to have received an inheritance from their father! She is supported by her best friend, Merrie, and while she loves her very much, she has a hard time getting along with Merrie's brother Stuart. Stuart believes her to be just as shallow as her sister, Rachel, and always treats her coldly when he talks with her. Ivy tries her best to avoid him, but one night, as she's staying over at Merrie's place, she runs into him in the bathroom. Mistaking this encounter as an attempt to seduce

him, he kisses her passionately...!

The Roses of No Man's Land Apr 19 2022 WORLD

HISTORY: FIRST WORLD WAR. 'On the face of it,' writes Lyn Macdonald, 'no one could have been less equipped for the job than these gently nurtured girls who walked straight out of Edwardian drawing rooms into the manifest horrors of the First World War...' Yet the volunteer nurses rose magnificently to the occasion. In leaking tents and draughty huts they fought another war, a war against agony and death, as men lay suffering from the pain of unimaginable wounds or diseases we can now cure almost instantly. It was here that young doctors frantically forged new medical techniques - of blood transfusion, dentistry, psychiatry and plastic surgery - in the attempt to save soldiers shattered in body or spirit. And it was here that women achieved a quiet but permanent revolution, by proving beyond question they could do anything. All this is superbly captured in *The Roses of No Man's Land*, a panorama of hardship, disillusion and despair, yet also of endurance and supreme courage.

*The Wars of the Roses* Jun 09 2021 The author of the New York Times bestseller *The Plantagenets* and *The Templars* chronicles the next chapter in British history—the historical backdrop for *Game of Thrones* The inspiration for the Channel 5 series *Britain's Bloody Crown* The crown of England changed hands five times over the course of the fifteenth century, as two branches of the Plantagenet dynasty fought to the death for the right to rule. In this riveting follow-up to *The Plantagenets*, celebrated historian Dan Jones describes how the longest-reigning British royal family tore itself apart until it was finally replaced by the Tudors. Some of the greatest heroes and villains of history were thrown together in these turbulent times, from Joan of Arc to Henry V, whose victory at Agincourt marked the high point of the medieval monarchy,

and Richard III, who murdered his own nephews in a desperate bid to secure his stolen crown. This was a period when headstrong queens and consorts seized power and bent men to their will. With vivid descriptions of the battles of Towton and Bosworth, where the last Plantagenet king was slain, this dramatic narrative history revels in bedlam and intrigue. It also offers a long-overdue corrective to Tudor propaganda, dismantling their self-serving account of what they called the Wars of the Roses.

Roses and Revenge Jun 28 2020 When Fenella Woods moved to the Isle of Man, one of the things she left behind in Buffalo was her former boyfriend, Jack Dawson. Now Jack is getting married, and he's invited Fenella to help celebrate his special day. Fenella and the new man in her life, CID inspector Daniel Robinson, decide to make a two-week vacation out of the trip to Buffalo, New York. Things start to go wrong almost immediately, as the bride's ex-husband crashes Jack and Linda's engagement party. When the man is discovered dead in a dumpster outside the hotel where Fenella and Daniel are staying, the pair find themselves caught up in yet another murder investigation. Can Daniel and Fenella work out who, besides the bride and groom, wanted George Hawkins dead? Can they go sightseeing without bumping into any of the suspects? Can Fenella get through the entire wedding weekend without telling Jack's mother exactly what she thinks of her? And can she and Daniel solve the murder in time for Jack and Linda to go on their honeymoon?

The Wars of the Roses Oct 25 2022 This book is also available as part of the Men-at-Arms series as no. 145: 'Wars of the Roses'. Much myth and fantasy surrounds the events of the Wars of the Roses: a bloody and prolonged dynastic struggle between the houses of York and Lancaster. Terence

Wise's fascinating text lays bare the real story, and examines the armies, liveries and badges of the conflict. The author's readable account provides a comprehensive guide as to who fought whom, where, when, why and for what, from the origins of the Wars to such famous battles as Tewkesbury and Bosworth. The accompanying photographs, illustrations and colour plates by Gerry Embleton clearly detail the arms, armour and standards of the time.

*For the Roses* Jan 24 2020 No one ever knew what kind of strays, from animals to weary travelers, Mary Rose Clayborne would bring home next. Sometimes her four brothers? runaway slave Adam, ax-pickpocket Douglas, gunslinger Cole, and con man Travis—wondered whether her boarding school education did a lick of good now that their beautiful, impulsive little sister was back in Blue Belle, Montana. Of course, everyone in town knew better than to mess with the Claybornes. The brothers, four of the toughest hombres in the West, had once been a mismatched gang of street urchins. But they had found an abandoned baby girl in a New York City alley, named her Mary Rose, headed West, and raised her to be a lady. Through the years the Claybornes had become a family, held together by loyalty and love if not by blood—when they suddenly faced the crisis that could tear them apart. That crisis came to town with Lord Harrison Stanford MacDonald. In his fine clothes, he looked every inch a dude. Mary Rose figured that if she didn't interfere, this handsome Englishman would get himself killed, so she took him home to the Clayborne ranch to ask her brothers to turn him into a cowboy. She didn't suspect MacDonald was a chameleon, not the greenhorn he appeared to be. He'd prove fast with a gun, quick with his fists, and capable of commanding the Claybornes's respect—if not their trust. He'd also soon be desperately in love with Mary Rose. She

returned his affection blissfully and wholeheartedly...until MacDonald revealed a secret that challenged everything she believed about her love, herself, and her life. Now Mary Rose's search for identity and meaning would begin, sending her to England, to the family she lost long ago. Her soul hungered for the freedom of the American West, but she was being drawn away from all she cared about by the need to know her past...and by her uncertain but still potent love for MacDonald. Torn between conflicting loyalties, Mary Rose wasn't sure who she really was, or where she belonged...questions that could only be answered if she listened to the truth within her heart.

The Memories of Rose Eytinge Jun 16 2019

**Rose-Belford's Canadian Monthly and National Review**  
Dec 03 2020

**What Do Women Want?** Aug 19 2019 A renowned author attempts to answer an age-old question in this collection of witty meditations on everything from Hillary Clinton to writing love letters, ultimately revealing the secrets of what women are really after in life.
