History of Pictures Apr 30 2020 A compact edition of Hockney and Gayford's brilliantly original book, with updated material and brand-new pieces of art Informed and energized by a lifetime of painting, drawing, and making images with cameras, David Hockney, in collaboration with art critic Martin Gayford, explores how and why pictures have been made across the millennia. Juxtaposing a rich variety of images--a still from a Disney cartoon with a Japanese woodblock print by Hiroshige, a scene from an Eisenstein film with a Velazquez paint-ing--the authors cross the normal boundaries between high culture and popular entertainment, and argue that film, photography, paint-ing, and drawing are deeply interconnected. Featuring a revised final chapter with some of Hockney's latest works, this new, compact edition of A History of Pictures remains a significant contribution to the discussion of how artists represent reality.

created a behind-the-scenes annotated version of the original screenplay that launched a thousand Halloween costumes. They provide commentary on how and why they made the artistic decisions they did while writing and filming the movie, as well as the Netflix series that came after. The book also features reproduced ephemera from filming—photos, original (and scathing) reviews, AIM chat conversations, marked up script pages, and so much more. Written and curated by Wain and Showalter, this is the must-have guide to all things *Wet Hot*.

PostSecret Mar 30 2020 The project that captured a nation's imagination. The instructions were simple, but the results were extraordinary. "You are invited to anonymously contribute a secret to a group art project. Your secret can be a regret, fear, betrayal, desire, confession, or childhood humiliation. Reveal anything -- as long as it is true and you have never shared it with anyone before. Be brief. Be legible. Be creative." It all began with an idea Frank Warren had for a community art project. He began handing out postcards to strangers and leaving them in public places -- asking people to write down a secret they had never told anyone and mail it to him, anonymously. The response was overwhelming. The secrets were both provocative and profound, and the cards themselves were works of art -- carefully and creatively constructed by hand. Addictively compelling, the cards reveal our deepest fears, desires, regrets, and obsessions. Frank calls them "graphic haiku," beautiful, elegant, and small in structure but powerfully emotional. As Frank began posting the cards on his website, *PostSecret* took on a life of its own, becoming much more than a simple art project. It has grown into a global phenomenon, exposing our individual aspirations, fantasies, and frailties -- our common humanity. Every day dozens of postcards still make their way to Frank, with postmarks from around the world, touching on every aspect of human experience. This extraordinary collection brings together the most powerful, personal, and beautifully intimate secrets Frank Warren has received -- and brilliantly illuminates that human emotions can be unique and universal at the same time.

Fluent Forever Mar 10 2021 NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

soulful, lyrical tale... Such a treat.' BETH MORREY, author of SAVING MISSY 'A charming, surprising and moving story of three troubled characters' encounter with love, grief, healing...and dogs' CLARE CHAMBERS, author of SMALL PLEASURES George is very angry. His wife has upped and died on him, and all he wants to do is sit in his underpants and shout at the cricket. The last thing he needs is his cake-baking neighbour Betty trying to rescue him. And then there's the dog, a dachshund puppy called Poppy. George doesn't want a dog - he wants a fight. Dan is a counsellor with OCD who is great at helping other people - if only he were better at helping himself. His most meaningful relationship so far is with his labrador Fitz. But then comes a therapy session that will change his life. Lizzie is living in a women's refuge with her son Lenny. Her body is covered in scars and she has shut herself off from everyone around her. But when she is forced to walk the refuge's fat terrier, Maud, a new life beckons - if she can keep her secret just a while longer... Dog Days is a novel about those small but life-changing moments that only come when we pause to let the light in. It is about three people learning to make connections and find joy in living life off the leash. 'Dog Days is a beautiful novel, filled with poignancy and humour. Ericka Waller looks closely at life with all its ghosts and new beginnings, finding glitter in the dark and hope where there is healing.' RÓNÁN HESSION, author of Leonard and Hungry Paul 'With its tightly plotted twists Dog Days is an exhilarating, at times even vertiginous ride - but the dogs are there to hold onto, nudging things along with wet noses and deep wisdom as they always do. The mix of human passion and canine good sense works triumphantly.' Ed Stourton, presenter BBC Radio 4 'It takes great heart and a steady hand on the tiller to bring a set of characters-human and canine--to life on the page and Ericka Waller has both. With an equally deft hand at a compelling story line, Waller draws the reader into this tender, complicated novel of love, loss and self-discovery.' Susan Wilson, New York Times bestselling author of One Good Dog and What a Dog Knows

Dancing Dogs Jun 13 2021 No one brings to life the remarkable bond between humans and their dogs like New York Times bestselling author Jon Katz. He has warmed our spirits with enchanting tales and keen observations of his animal menagerie—the dogs, sheep, chickens, and other residents of Bedlam Farm. Now, Katz is back with what he does best in his first collection of short stories, Dancing Dogs. With his signature insight and gift for storytelling, Katz shares sixteen stories about one of life's most unique relationships: In the title story, a housekeeper loses her job, but discovers her four-legged "children" have some toe-tapping talents that just may get the whole family back on its feet. In "Puppy Commando," a shy grade-school outcast forges an instant connection with a beagle puppy she meets at a shelter—and risks everything to keep him. "Gracie's Last Walk" features a woman who must find a way to say goodbye to her beloved golden retriever—but ends up saying hello to someone unexpected. "The Dog Who Kept Men Away" shows that not all humans pass the "sniff" test when it comes to canines, who possess an excellent judge of character. And in "Guardian Angel," a widower going through a painful transition finds the greatest comfort in the unlikeliest of sources—a funny-looking pug named Gus. Whether sitting, staying, and rolling over, in the barnyard, shelters, or home, sweet, home, the creatures in Dancing Dogs are genuinely inspiring and utterly memorable. Praise for Dancing Dogs "Funny, keenly observed short stories illuminating the bond between man and his best friend."—People "Jon Katz writes with passion and humor about the connections between animals and humans. . . . Animal lovers are sure to want to add this book to their collection."—Examiner.com "Katz's stories, sometimes warm and sometimes funny, are smooth, light reads that are easy to pick up and enjoy and will appeal to dog lovers everywhere."—Booklist "Insightful, moving . . . a tissue-box-worthy collection of animal tales."—Kirkus Reviews "[A] heartwarming book."—The Dallas Morning News

For this adorable collection of photographs, Lynn Terry draws on more than twenty years of professional photography experience to capture the most endearing moments between canine companions: A couple of pitbulls grinning widely at the camera. Two saggy-faced bulldogs bumping jowls. A Pomeranian, an English bulldog, and a Boston terrier dog-piling (of course) on top of each other. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That’s what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That’s where Will’s now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother’s gun. He gets on the elevator, seventh floor, stoked. He knows who he’s after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that’s when Will sees that one bullet is missing. And the only one who could have fired Shawn’s gun was Shawn. Huh. Will didn’t know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck’s in the elevator? Just as Will’s trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck’s cigarette. Will doesn’t know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

Dog Days Aug 15 2021 Ericka Waller’s Dog Days is a debut novel about the way dogs can bring out the best in us in the face of life’s challenges. George is a grumpy, belligerent old man who has just lost his wife. She has left him notes around the home and a miniature dachshund puppy called Poppy. But George doesn’t want a dog, he wants to fight everyone who is trying to help him. Dan has OCD but has channeled his energy into his career as a therapist. Afraid to acknowledge his true feelings, his most meaningful relationship so far is with his dog Fitz. That is, until Atticus walks into his life. Lizzie is living in a women’s refuge with her son Lenny. Her body is covered in scars and she has shut herself off from the world. She distrusts dogs, but when she starts having to walk the refuge’s dog, Maud, things begin to change. As three strangers’ lives unravel and intersect, they ultimately must accept what fate has in store for them with their dogs by their sides. Set against the backdrop of Brighton, Dog Days is an inspiring, unflinching, and deeply moving novel about life, and the way dogs can help us understand it, and each other, a little better.

A Home for Rose Jul 14 2021 ‘I believed Rose had a secret plan for the farm, a detailed map in her head that showed exactly where all her ewes and lambs and humans ought to be. Though I was nominally the herder, I wasn’t privy to the map. My job

was mostly to latch and unlatch the gates, the rest was up to her' Jon Katz leaves the suburbs for a remote farm in order to give Border Collie puppy Rose - along with our friend Devon from *A Dog Year* - a true taste of herding life. Rose's adventures start early, going head to head with a head-butting ram the day the sheep arrive. She soon establishes a routine for the sheep, chickens and donkeys - and Jon - that makes everything run like clockwork. However, any notion Jon has of the romance of a rural idyll is shattered when the snow comes and temperatures of minus twenty set in. With two fingers damaged to frostbite and a sheep lost, the prospect of all-night lambing seems terrifying. But with Rose by his side Jon finds there is little that together they can't do, and as spring comes and the frost thaws he finds himself battered, drained yet exhilarated. This is his delightfully funny, touching and insightful depiction of the realities of country life, and of how one man turned his life upside down for the love of a dog. Please note, *A Home for Rose* is the UK title for the book published in the US as *The Dogs of Bedlam Farm*.

Hockney's Pictures Feb 27 2020 One of David Hockney's favourite and most frequent sayings is 'Love life ', and for nearly fifty years his art has been feted across the world because it is a celebration of what it is to be alive. All of his pictures - sometimes tender, as when he draws friends and family; sometimes playful, as in his paintings of lazy, carefree days in the pool; sometimes awe-inspiring, as with his images of the Grand Canyon - convey what it means to be in the world: to see it, to move in it, to love it. For Hockney, pictures are the perfect vehicles for communicating such feelings, and his life has been a constant exploration of how to make them in ever more vital ways. With over 320 illustrations, this is the first-ever definitive retrospective of the most popular serious artist in the world today, covering all media over almost fifty years. Presented thematically to show the evolution and diversity of Hockney's prolific paintings, drawings, watercolours, prints and photography, including new and unpublished works, it also features quotes from the artist himself that illuminate the passionate thinking behind the works produced.

When Fiona's family moves to a new town to be closer to her older sister's figure skating club—and far from Fiona's close-knit group of friends—nobody seems to notice Fiona's unhappiness. Alone and out of place, Fiona ventures to the town's library, a rambling mansion donated by a long-dead heiress. And there she finds a gripping mystery novel about a small town, family secrets, and a tragic disappearance. Soon Fiona begins to notice strange similarities that blur the lines between the novel and her new town. With a little help from a few odd *Lost Lake* locals, Fiona uncovers the book's strange history. *Lost Lake* is a town of restless spirits, and Fiona will learn that both help and danger come from unexpected places—maybe even from the sister she thinks doesn't care about her anymore. New York Times–bestselling and acclaimed author Jacqueline West weaves a heart-pounding, intense, and imaginative mystery that builds anticipation on every page, while centering on the strong and often tumultuous bond between sisters. Laced with suspense, *Long Lost* will fascinate readers of Trenton Lee Stewart's *The Secret Keepers* and fans of ghost stories.

Dog Days Apr 23 2022 BONUS: This edition contains an excerpt from Jon Katz's Going Home. In Dog Days, Jon Katz, the squire of Bedlam Farm, allows us to live our dreams of leaving the city for the country, and shares the unpredictable adventure of farm life. The border collies, the sheep, the chickens, the cat, the ram, and one surprisingly sociable steer named Elvis all contribute to the hum (and occasional roar) of Bedlam. On timeless summer days and in punishing winter storms, Katz continues his meditation on what animals can selflessly teach us--and what we in turn owe to them. With good neighbors, a beautiful landscape, and tales of true love thrown in, Dog Days gives us not only marvelous animal stories but a rich portrait of the harmonious world that is Bedlam Farm. Praise for Dog Days: "Anyone who has ever loved an animal, who owns a farm or even dreams of it, will read Dog Days with appreciation and a cathartic lump in his or her throat." --The Washington Post "Katz proves himself a Thoreau for modern times as he ponders the relationships between man and animals, humanity and nature, and the particularly smelly qualities of manure." --Fort Worth Star-Telegram "Katz constructs the perfect blend between self-revelation and his subtle brand of humor." --The Star-Ledger "City-dweller-turned-farmer Katz . . . returns with further adventures from his animal-filled upstate New York sheep farm. Charming." --People "The perfect summer book . . . You will not be disappointed." --The Philadelphia Inquirer "A new twist on the American dream." --The Christian Science Monitor "Thoroughly enchanting." --The Dallas Morning News
