Sideways in Time Jul 09 2020 Alternate history is a genre of fiction that, although connected to science fiction, has its own rich history and lineage. With its roots in the writings of ancient Rome, alternate history matured into something close to its current form in the essays and novels of the nineteenth century. In more recent years a number of highly acclaimed novels have been published as alternate histories, by authors ranging from bestselling science fiction writers to Pulitzer prize-winning literary icons. The popularity of the genre is reflected in its success on television, where original concepts have been developed alongside adaptations of classic texts such as Philip K. Dick's *The Man in the High Castle*. This collection of essays, by both leading scholars in the field and rising stars, seeks to redress an imbalance between the importance and quality of alternate history texts and the available critical scholarship on the genre. The essays acknowledge the long and distinctive history of alternate history whilst also revelling in its vitality, adaptability, and contemporary relevance.

Inside the World of Harry Potter May 31 2022 Many scholars recognize the importance of Harry Potter as a vehicle for discussions about society—from race relations and gender studies to economic, political, religious and educational applications of the texts. This interdisciplinary collection of new essays brings to the forefront a critique of modern Western society, using Harry's world as a mirror to our own. Covering issues surrounding parenting and family relations, social class, life and death, the link between identity and morality and even the risks of time travel, this collection provides many jumping-off points for scholars and nonscholars alike to spark discussions about both Harry's world and our own.

Virginia Woolf Oct 31 2019 Did feminism really detract from her work? Was Virginia Woolf actually a poet writing in novel form? Did her mental illness affect her writing? How much of her technique was her own and how much did she borrow from Joyce and Proust? Contributors discuss these and other questions in an effort to interpret the work of this controversial and original author. -- From publisher's description.

A Complicated Kindness Sep 22 2021 Winner of the Governor General's Literary Award In this stunning coming-of-age novel, the award-winning author of *Women Talking* balances grief and hope in the voice of a witty, beleaguered teenager whose family is shattered by fundamentalist Christianity "Half of our family, the better-looking half, is missing." Nomi Nickel tells us at the beginning of *A Complicated Kindness*. Left alone with her sad, peculiar father, her days are spent piecing together why her mother and sister have disappeared and contemplating her inevitable career at Happy Family Farms, a chicken slaughterhouse on the outskirts of East Village. Not the East Village in New York City where Nomi would prefer to live, but an oppressive town founded by Mennonites on the cold, flat plains of Manitoba, Canada. This darkly funny novel is the world according to the unforgettable Nomi, a bewildered and wry sixteen-year-old trapped in a town governed by fundamentalist religion and in the shattered remains of a family it destroyed. In Nomi's droll, refreshing voice, we're told the story of an eccentric, loving family that falls apart as each member lands on a collision course with the only community any of them have ever known. A work of fierce humor and tragedy by a writer who has taken the American market by storm, this searing, tender, comic testament to family love will break your heart. "Brilliant." —New York Times Book Review "A darkly funny and provocative novel." —O, the Oprah Magazine

All Art Is Propaganda Dec 02 2019 Offering commentary on the worlds of film, drama, literature, and language, a collection of criticism and essays by the author of 1984 includes such pieces as "Politics and the English Language," "Rudyard Kipling," and "Good Bad Books."

Hannah Arendt Jun 19 2021 This work presents both the range of Arendt's political thought and the patterns of controversy it has elicited. The essays are arranged in six parts around important themes in Arendt's work: totalitarianism and evil; narrative and history; the public world and personal identity; action

and power; justice, equality, and democracy; and thinking and judging. Despite such thematic diversity, virtually all the contributors have made an effort to build bridges between interest-driven politics and Arendt's Hellenic/existential politics. Although some are quite critical of the way Arendt develops her theory, most sympathize with her project of rescuing politics from both the foreshortening glance of the philosopher and its assimilation to social and biological processes. This volume treats Arendt's work as an imperfect, somewhat time-bound but still invaluable resource for challenging some of our most tenacious prejudices about what politics is and how to study it. The following eminent Arendt scholars have contributed chapters to this book: Ronald Beiner, Margaret Canovan, Elisabeth Young-Bruehl, Seyla Benhabib, Jürgen Habermas, Hanna Pitkin, and Sheldon Wolin.

The Philosophy of Simone de Beauvoir Mar 29 2022 Since her death in 1986 and the publication of her letters and diaries in 1990, interest in the philosophy of Simone de Beauvoir has increased. An international group of philosophers present 16 essays that reveal Beauvoir as one of the century's most important and influential thinkers.

Giacometti: Critical Essays Apr 05 2020 Giacometti: Critical Essays brings together new studies by an international team of scholars who together explore the whole span of Alberto Giacometti's work and career from the 1920s to the 1960s. During this complex period in France's intellectual history, Giacometti's work underwent a series of remarkable stylistic shifts while he forged close affiliations with an equally remarkable set of contemporary writers and thinkers. This book throws new light on under-researched aspects of his output and approach, including his relationship to his own studio, his work in the decorative arts, his tomb sculptures and his use of the pedestal. It also focuses on crucial ways his work was received and articulated by contemporary and later writers, including Michel Leiris, Francis Ponge, Isaku Yanaihara and Tahar Ben Jelloun. This book thus engages with energising tensions and debates that informed Giacometti's work, including his association with both surrealism and existentialism, his production of both 'high' art and decorative objects, and his concern with both formal issues, such as scale and material, and with the expression of philosophical and poetic ideas. This multifaceted collection of essays confirms Giacometti's status as one of the most fascinating artists of the twentieth century.

Critical Essays on Roman Literature Dec 14 2020 First published in 1963, this book is the second of two volumes which bridge the gap between the study of classics and the study of literature and attempt to reconcile the two disciplines. Focusing on satire, this collection of essays offers a critical examination of Latin literature and aims to stimulate critical discussion of a selection of Latin poets. This experimental and ground-breaking book will be of particular interest to students of Roman Literature, Classics and Poetry.

Race, Politics, and Culture Jan 03 2020 This lively and provocative collection of essays on the social upheavals of the 1960s is a major contribution to our understanding of that tumultuous decade. Written by a group of former sixties activists, most of whom are now academics, it combines a unique transracial dialogue on that activism with incisive analyses of the context within which radicalism developed.

Critical Essays on the Writings of Lillian Smith Mar 05 2020 Contributions by Tanya Long Bennett, David Brauer, Cameron Williams Crawford, Emily Pierce Cummins, April Conley Kilinski, Justin Mellette, and Wendy Kurant Rollins As a white woman of means living in segregated Georgia in the first half of the twentieth century, Lillian Smith (1897–1966) surprised readers with stories of mixed-race love affairs, mob attacks on “outsiders,” and young female campers exploring their sexuality. *Critical Essays on the Writings of Lillian Smith* tracks the evolution of Smith from a young girls' camp director into a courageous artist who could examine controversial topics frankly and critically while preserving a lifelong connection to the north Georgia mountains and people. She did not pull punches in her portrayals of the South and refused to obsess on an idealized past. Smith took seriously the artist's role as she saw it—to lead readers toward a better understanding of themselves and a more fulfilling existence. Smith's perspective cut straight to the core of the neurotic behaviors she observed and participated in. To draw readers into her exploration of those behaviors, she created compelling stories, using carefully chosen literary techniques in powerful ways. With words as her medium, she drew maps of her fictionalized southern places, revealing literally and metaphorically society's disfunctions. Through carefully crafted points of view, she offers readers an intimate glimpse into her own childhood as well as the psychological traumas that all southerners experience and help to perpetuate. Comprised of seven essays by contemporary Smith scholars, this volume explores these fascinating aspects of Smith's writings in an attempt to fill in the picture of this charismatic figure, whose work not only was influential in her time but also is profoundly relevant to ours.

Critical Essays on Alice Walker Oct 12 2020 Provides a collection of critical and interpretative essays on works by Alice Walker.

Twelfth Night Aug 29 2019 This volume in the Shakespeare Criticism series offers a range of approaches to *Twelfth Night*, including its critical reception, performance history, and relation to early modern culture. James Schiffer's extensive introduction surveys the play's critical reception and performance history, while individual essays explore a variety of topics relevant to a full appreciation of the play: early modern notions of love, friendship, sexuality, madness, festive ritual, exoticism, social mobility, and detection. The contributors approach these topics from a variety of perspectives, such as new critical, new historicist, cultural materialist, feminist and queer theory, and performance criticism, occasionally combining several approaches within a single essay. The new essays from leading figures in the field explore and extend the key debates surrounding *Twelfth Night*, creating the ideal book for readers approaching this text for the first time or wishing to further their knowledge of this stimulating, much loved play.

New Critical Essays on H.P. Lovecraft Sep 03 2022 The last ten years have witnessed a renewed interest in H.P. Lovecraft in academic and scholarly circles. *New Critical Essays on H.P. Lovecraft* seeks to offer an expansive and considered account of a fascinating yet challenging writer; both popular and critically valid but also problematic in terms of his depictions of race, gender and class.

Zadie Smith Aug 22 2021 Zadie Smith made a huge splash in 1997 when, as a college student, she received one of the largest advances in British history for her novel *White Teeth*. Since then, Smith has published four major novels, a volume of essays, and many short stories. She has become a college professor, an award-winner, and an influential critic of both literature and the current political scene. Readers of Zadie Smith will learn about how insecure and outside of society she felt as a child and young woman, and how that very sense of being an outsider transformed her into the writer of clarity she is today.

Antony and Cleopatra Sep 10 2020 This collection of twenty original essays will expand the critical contexts in which Antony and Cleopatra can be enjoyed as both literature and theater.

Critical Essays on John Cheever Nov 24 2021 Brings together reviews and critical essays on Cheever's work, interviews with him and a useful introduction and short bibliography, reflecting the unanimous agreement that Cheever was a great short story writer, but not adequately reflecting the heterogeneity of critical opinion.

Critical Essays on Twin Peaks: The Return Jan 27 2022 This edited collection offers an interdisciplinary study of *Twin Peaks: The Return*, the third season of a TV program that has attracted the attention (and appreciation) of spectators, fans, and critics for over two decades. The book takes readers into several distinct areas and addresses the different approaches and the range of topics invited by the multidimensionality of the subject itself: the philosophical, the artistic, the socio-cultural, and the personal. The eighteen chapters constituting the volume are academic in their approach to the subject and in their methodology, whether they apply a historical, psychoanalytical, film studies, or gender studies perspective to the text under examination. The variety and range of perspectives in these aforementioned chapters reflect the belief that a study of the full complexity of *Twin Peaks: The Return*, as well as a timely assessment of the critical importance of the program, requires both an interdisciplinary perspective and the fusion of different intellectual approaches across genres. The chapters demonstrate a collective awareness of the TV series as a fundamental milestone in contemporary culture.

Romanticism Nov 12 2020 First published in 1986. This outstanding collection of major essays by some of America's finest literary scholars and critics provides students of American literature with a unique perspective of America's Romantic literature. Some of these essays make connections between authors or define Romanticism in terms of one of the works; others address major issues during the period; others offer a framework for specific works; and, finally, some give interpretations for the reader. All of the essays offer distinctive voices that will engage students in this rich and memorable period of American literature.

Lyrical and Critical Essays Aug 02 2022 Edited by Philip Thody, translated by Ellen Conroy Kennedy. "Here now, for the first time in a complete English

translation, we have Camus' three little volumes of essays, plus a selection of his critical comments on literature and his own place in it. As might be expected, the main interest of these writings is that they illuminate new facets of his usual subject matter."--The New York Times Book Review "...a new single work for American readers that stands among the very finest."--The Nation

Breaking Bad Apr 29 2022 Breaking Bad: Critical Essays on the Contexts, Politics, Style, and Reception of the Television Series, edited by David P. Pierson, examines the social contexts, cultural politics, and visual, aural, and narrative style of AMC's original series Breaking Bad. This collection of critical essays explores such topics as neo-liberalism, spatiality and temporality, modern science and its principles, the representation of masculinity, Latinos, and disabilities, the function of narrative teasers and songs, and the role of emotions as dramatic action in the series.

Amitav Ghosh Aug 10 2020 Indian Writing in English has proliferated over the last few decades and has made a huge impact on English readers. Not only do the works of Indian authors writing in English find a place on the bestseller list, they are also receiving critical acclaim across the world. One of the most prolific postcolonial writers writing today, Amitav Ghosh has received many awards: The Circle of Reason winning the Prix Medici Etranger (one of France's top literary award), The Shadow Lines winning the Sahitya Akademi Award, and The Calcutta Chromosome bagging the Arthur C. Clarke Award for 1997. His later novels, Sea of Poppies, River of Smoke and Flood of Fire showcase his capacity for epic narration, with each of these texts in the Ibis series, exploring the layered dimensions of identity and cultural form. Now in its second edition, this book offers an anthology of critical essays, and deals with fictional as well as non-fictional works by Amitav Ghosh. It focuses on Ghosh's idea and theory of the novel, postcolonial rationality in The Circle of Reason, nationalism in the context of partition in The Shadow Lines, and the East-West encounter in The Calcutta Chromosome. Besides, it also discusses power structure operating within the narrative of The Glass Palace, and the question of space, identity and cultural difference in The Hungry Tide.

Critical Essays Nov 05 2022 The essays in this volume were written during the years that its author's first four books were published in France. They chart the course of Barthe's criticism from the vocabularies of existentialism and Marxism (reflections on the social situation of literature and writer's responsibility before History) to a psychoanalysis of substances (after Bachelard) and a psychoanalytical anthropology (which evidently brought Barthes to his present terms of understanding with Levi-Strauss and Lacan).

Critical Essays on Major Curriculum Theorists Feb 13 2021 A critical exposition of the work of sixteen of the most important names in curriculum theory, taking in a wide range of views and perspectives from across the UK, the US and Europe.

Critical Essays on Toni Morrison Jul 01 2022 This gathering of critical essays is at once impressive and hospitable-- characteristic of Morrison's own work as well. Basically, the contributors of these pieces react to Morrison as a black novelist, as a female novelist, or as a practitioner of the novel form, period--black and female or otherwise. All of them are interested in how Morrison has stretched the boundaries of these three categories. Points are made, counterpoints offered, her works are examined and cross-examined. The general opinion is that in reading Morrison, critics and general audience alike experience the sheer pleasure of hearing all the resonances of a voice beautiful and powerful. ISBN 0-8161-8884-X: \$37.50.

Critical Essays on Literature, Language, and Aesthetics Feb 25 2022 This volume of critical essays explores various facets of the social sciences and humanities from an interdisciplinary perspective. The essays gathered here have been culled from different aspects of humanities research in order to widen the scope of research possibilities. The dialogic mode in which the essays are arranged lends a unique texture to the book. This volume will be of interest to researchers, academics and even the casual reader with an interest in the humanities. The rich array of topics covered here gives an inkling of the range of Professor Milind Malshe's research interests and his academic associations in his career as a scholar and mentor. The different sections in this volume engage in a performance of sorts, allowing a free play of many voices—identified as the core to teaching and research in the humanities.

The Twilight Mystique Apr 17 2021 The 13 essays in this volume explore Stephenie Meyer's wildly popular Twilight series in the contexts of literature, religion, fairy tales, film, and the gothic. Several examine Meyer's emphasis on abstinence, considering how, why, and if the author's Mormon faith has influenced the series' worldview. Others look at fan involvement in the Twilight world, focusing on how the series' avid following has led to an economic transformation in Forks, Washington, the real town where the fictional series is set. Other topics include Meyer's use of Quileute shape-shifting legends, Twilight's literary heritage and its frequent references to classic works of literature, and the series' controversial depictions of femininity.

Dostoevsky Jun 07 2020 First published in 1962, the present volume is a collection of critical essays on selected works by Fyodor Dostoevsky (1821-1881), the famous 19th century Russian novelist, short story writer, essayist, journalist and philosopher. Critical evaluation of Fyodor Dostoevsky has been marked by sharp and violently bitter extremes. René Wellek has assembled a wide spectrum of these varied critical attitudes toward the works of the great Russian "tragedian of ideas." Dostoevsky's work is seen from psychoanalytical, existential, theological, and Marxist points of view. Professor Wellek's introduction sketches the history of Dostoevsky criticism and influence in all main countries—a task never before attempted. The essays in this collection are: PHILIP RAHV—Dostoevsky in Crime and Punishment MURRAY KRIEGER—Dostoevsky's "Idiot": The Curse of Saintliness IRVING HOWE—Dostoevsky: The Politics of Salvation ELISEO VIVAS—The Two Dimensions of Reality in The Brothers Karamazov D. H. LAWRENCE—Preface to Dostoevsky's "The Grand Inquisitor" SIGMUND FREUD—Dostoevsky and Parricide GEORG LUKÁCS—Dostoevsky DMITRI CHIZHEVSKY—The Theme of the Double in Dostoevsky V. V. ZENKOVSKY—Dostoevsky's Religious and Philosophical Views DEREK TRAVERSI—Dostoevsky
