In a modern approach to prayer and meditation, The 12 Step Prayer Book utilizes sources from across the world to support your recovery. Treatment, counseling, and other forms of therapy are unquestionably necessary for sobriety. They are, however, finite. Once they end, what becomes our source of hope, strength, and wisdom? Twelve Step recovery demands continuous spiritual growth, and spiritual growth demands a Higher Power. Our faith needn't be perfect, but it must be present. Through prayer and daily connection with the spiritual, our hearts remain full and open to the life recovery promises.

The Saint of the Impossible Feb 09 2021 Saint Jude: Everything you wanted to know Jude — cousin of Jesus Christ and the most obscure of the Twelve Apostles, is the Patron of Desperate Cases, the Saint of Last Resort. This is his story at last — a story that waited 2000 years to be told. No-one has been more beloved by the outcasts of the world — the destitute, the sick, the frightened, the lonely, the dying. He is seen in notices of petition and thanks in newspapers around the world. Web sites are devoted to him and attract thousands of visitors. Shrines in his name attract millions. Many know of him; few know about him. Here, at last, is everything you wanted to know about this beloved saint, written by the author of the national award-winning biographical novel, *The Life of Jude: Saint of the Impossible*. This is a book for every Jude believer around the world; a gift book to be treasured. Here you'll find Jude's family tree and the story of his extraordinary missionary journeys. Until this story came to light, few knew that Jude had travelled ten times the distance of Paul and spent an extra two decades — on the road. Brian Morgan spent 50 years researching this most elusive saint before writing this book and his major work, the acclaimed literary award-winning biography, *The Life of Jude: Saint of the Impossible*. These are companion books and are a must read for Jude believers.
