A New Paradigm of the African State Sep 16 2021 Offers a historical, multidisciplinary perspective on African political systems and institutions, ranging from Antiquity (Egypt, Kush and Axum) to the present with particular focus on their destruction through successive exogenous processes including the Atlantic slave trade, imperialism, colonialism and neo-colonialism or globalization.

A Head of Cabbage Sep 28 2022 Barbara Abbott was eighteen when her father threatened to kill her if she went to school against his will. A sharecropper since he lost his farm in 1956, he needed her on the farm to help plant their annual tobacco crop. Barbara would often sneak away to school, but her mother would retrieve her before her second class started and return her to the fields. Then, after the workday was over, she studied unassigned chapters hoping that she would not get behind in her class assignments due to absences from school. Her father believed living off the land was the best option

for southern black people. He never encouraged his children to seek an education; he saw how education had not helped many black people financially and had an extreme distrust of white people and the government. Eventually, Barbara got accepted into Bennett College, a predominately black all-girls school, though she left college after her junior year to marry her high school sweetheart. Then, while pregnant, she discovered that her husband was gay and had a lover living next door. Spanning many decades, this personal narrative shares an account of the everyday life struggles of a black woman and shows her determination to live a life different from those of her ancestors.

Night Shelter Feb 09 2021 Everybody at Butchers' Row in Southwark has something to hide... Described as 'London noir', Night Shelter, the 9th novel from thriller writer Gil Hogg, delves deep into the seedy underground world of drugs, prostitution and corruption in Britain's capital. Jimmy Morton, a supervisor at the Night Shelter for the homeless, finds himself unwittingly involved in the murder of Eva, a local prostitute found in a tenement in Butchers' Row. The director of the Night Shelter and his guest Arnold Catesby have had a boys' night out, a drug-fuelled sex party at a nearby pub close to where Eva's body was discovered. Cynical and self-protective CI Dan Hamish from the Yard finds that Eva was at the party, but believes that Catesby and his friends are too big to touch. As the group are interrogated one-by-one, they assure Hamish that they have solid 'insurance' – but will it pay off? Night Shelter is a fast-paced detective novel that encapsulates the gritty, sardonic nature of London's underground crime network. This book will appeal to fans of Peter Ackroyd and Mark Billingham, as well as fans of Hogg's previous titles.

Collected Stories Dec 19 2021 This definitive collection establishes Williams as a major American fiction writer of the twentieth century. Tennessee Williams' Collected Stories combines the four short-story volumes published during Williams' lifetime with

previously unpublished or uncollected stories. Arranged chronologically, the forty-nine stories, when taken together with the memoir of his father that serves as a preface, not only establish Williams as a major American fiction writer of the twentieth century, but also, in Gore Vidal's view, constitute the real autobiography of Williams' "art and inner life."

'What the Heck Are You Up To, Mr. President?' Jun 20 2019 An assessment of the events that led up to Jimmy Carter's infamous 1979 "malaise" speech places it against a backdrop of such events as the gas crisis and the Iran-hostage situation while explaining that the speech had far greater relevance than its reception reflected, in an account that also claims the speech inadvertently set a course for the conservative movement. Reprint.

Plato Detective Aug 15 2021 Her face turned white. "Don't!" she bleated. "Don't kill me! For God's sake, I don't want to die. . . Take all the money, Plato. Here, take it!" As she spoke, she reached into the suitcase to pick up the briefcase and the next moment her right hand came out holding a gun. I didn't stop to think about it for a moment. Almost instinctively, I pulled the trigger of Albrozo's gun - twice. The first bullet hit her right between the eyes and the second just where her heart was supposed to be. One for Myrna and one for me, I thought, dazed by the development. Tough private detective Plato Cartessis closed in this unorthodox manner a case that had started with the best omens but had sent two people to their graves, put the life of some others at great risk and would possibly send him to the big house unless his lawyer partner-cum-girlfriend could save him with her legal skills!

Wide Awake Jul 26 2022 Now with exclusive bonus content from

author David Levithan, the New York Times bestselling mind behind *Every Day* and *Another Day*. An emotional and politically charged novel that's a must-read for turbulent times when the very democratic process itself is called into question and basic rights are at risk. In the not-too-impossible-to-imagine future, a gay Jewish man has been elected president of the United States. Until the governor of one state decides that some election results in his state are invalid, awarding crucial votes to the other candidate, and his fellow party member. Thus is the inspiration for couple Jimmy and Duncan to lend their support to their candidate by deciding to take part in the rallies and protests. Along the way comes an exploration of their relationship, their politics, and their country, and sometimes, as they learn, it's more about the journey than it is about reaching the destination. Only David Levithan could so masterfully and creatively weave together a plot that's both parts political action and reaction, as well as a touching and insightfully-drawn teen love story. A MARGARET A. EDWARDS AWARD WINNER

Walk to Beautiful Mar 30 2020 * NEW YORK TIME BEST SELLER* Imagine yourself a thirteen-year-old hundreds of miles away from home, in a strange city, and your mom leaves you at a bus station parking lot and drives off into the night with her lover. That's the real life story of country music star Jimmy Wayne. It's a miracle that Jimmy survived being hungry and homeless, bouncing in and out of the foster care system, and sleeping in the streets. But he didn't just overcome great adversity in his life; he now uses his country music platform to help children everywhere, especially teenagers in foster care who are about to age out of the system. *Walk to Beautiful* is the powerfully emotive account of Jimmy's horrendous childhood and the love shown him by Russell and Bea Costner, the elderly couple who gave him a stable home and provided the chance to complete his education. Jimmy says of Bea, "She changed every cell in my body." It also chronicles Jimmy's

rise to fame in the music industry and his Meet Me Halfway campaign: his walk halfway across America, 1,700 miles from Nashville to Phoenix, to raise awareness for foster kids. Join Jimmy on his walk to beautiful and see how one person really can make a difference. ENDORSEMENTS “If your story could use a better chapter, take inspiration from Jimmy’s.” —Max Lucado, New York Times Best-Selling Author “It reads like a movie to me, and if so, I’ll be the first one in a seat to see it.” —Dolly Parton “Walk to Beautiful will open your eyes to the hurting people around you.” —Frank Harrison, Chairman and CEO, Coca-Cola Bottling Co. Consolidated; Chairman and Cofounder, With Open Eyes

Bud, Not Buddy Mar 10 2021 Hit the road with Bud in this Newbery Medal and Coretta Scott King Award-winning classic about a boy on a journey to find his father—from Christopher Paul Curtis, author of *The Watsons Go To Birmingham—1963*, a Newbery and Coretta Scott King Honoree. It’s 1936, in Flint Michigan. Times may be hard, and ten-year-old Bud may be a motherless boy on the run, but Bud’s got a few things going for him: 1. He has his own suitcase full of special things. 2. He’s the author of *Bud Caldwell’s Rules and Things for Having a Funner Life and Making a Better Liar Out of Yourself*. 3. His momma never told him who his father was, but she left a clue: flyers advertising Herman E. Calloway and his famous band, the Dusky Devastators of the Depression!!!!!! Bud’s got an idea that those flyers will lead him to his father. Once he decides to hit the road to find this mystery man, nothing can stop him—not hunger, not fear, not vampires, not even Herman E. Calloway himself. “[A] powerfully felt novel.” —The New York Times

Using Critical Theory Jan 20 2022 Explaining both why theory is important and how to use it, Lois Tyson introduces beginning students of literature to this often daunting field in a friendly and readable style. The new edition of this textbook is clearly structured with chapters based on major theories frequently covered both in courses on literature and on critical theory. Key features include: • coverage of major theories including reader-response theory, New Criticism (formalism), psychoanalysis, Marxism, feminism, lesbian/gay/queer theories, African American theory, and postcolonial theory • practical demonstrations of how to use these theories to interpret short literary works selected from canonical authors including William Faulkner and Alice Walker • a chapter on reader-response theory that shows students how to use their personal responses to literature while avoiding typical pitfalls • sections on cultural criticism for each chapter that use our selected theories to interpret productions of popular culture This new edition also includes updated and expanded theoretical vocabulary, as well as "basic concepts" and "further study" sections, and an expanded "next-step" appendix that suggests additional literary works for extra practice. Comprehensive, easy to use, and fully updated throughout, Using Critical Theory is the ideal first step for students beginning degrees in literature, composition, and cultural studies.

A Blues Bibliography Oct 29 2022 A Blues Bibliography, Second Edition is a revised and enlarged version of the definitive blues bibliography first published in 1999. Material previously omitted from the first edition has now been included, and the bibliography has been expanded to include works published since then. In addition to biographical references, this work includes entries on the history and background of the blues, instruments, record labels, reference sources, regional variations and lyric transcriptions and musical analysis. The Blues Bibliography is an invaluable guide to

the enthusiastic market among libraries specializing in music and African-American culture and among individual blues scholars.

Learning for a Diverse World Nov 18 2021 Lois Tyson explains the basic concepts of six critical theories in popular academic use today—psychoanalytic, Marxist, feminist, gay/lesbian, African-American, and post-colonial—and shows how they can be employed to interpret five short literary works in the book.

Woman with a Blue Pencil Aug 03 2020 “Woman with a Blue Pencil is a brilliantly structured labyrinth of a novel—something of an enigma wrapped in a mystery, postmodernist in its experimental bravado and yet satisfyingly well-grounded in the Los Angeles of its World War II era. Gordon McAlpine has imagined a totally unique work of ‘mystery’ fiction—one that Kafka, Borges, and Nabokov, as well as Dashiell Hammett, would have appreciated.” —JOYCE CAROL OATES What becomes of a character cut from a writer’s working manuscript? On the eve of Pearl Harbor, Sam Sumida, a Japanese-American academic, has been thrust into the role of amateur P.I., investigating his wife’s murder, which has been largely ignored by the LAPD. Grief stricken by her loss, disoriented by his ill-prepared change of occupation, the worst is yet to come, Sam discovers that, inexplicably, he has become not only unrecognizable to his former acquaintances but that all signs of his existence (including even the murder he’s investigating) have been erased. Unaware that he is a discarded, fictional creation, he resumes his investigation in a world now characterized not only by his own sense of isolation but by wartime fear. Meantime, Sam’s story is interspersed with chapters from a pulp spy novel that features an L.A.-based Korean P.I. with jingoistic and anti-Japanese, post-December 7th attitudes – the revised, politically and commercially viable character for whom Sumida has been excised. Behind it all is the ambitious, 20-year-old Nisei author who has made the changes, despite the relocation of himself and his family to a Japanese internment camp. And, looming above, is his book editor in New

York, who serves as both muse and manipulator to the young author—the woman with the blue pencil, a new kind of femme fatale. From the Trade Paperback edition.

Operation of the Home Loan Guaranty Program and the National Cemetery System in the State of Georgia Jul 14 2021

Crawfish Mountain Oct 25 2019 Ken Wells's highly acclaimed picaresque Catahoula Bayou novels introduced "one of the most compelling voices in fiction of the last decade" (Los Angeles Times). Now Wells is back, writing about his favorite subject—the exotic, beleaguered Louisiana wetlands—in a sharp, rollicking tale of corporate corruption and political shenanigans. The fight over one man's tract of sacred marsh fronts a deeper story of our place in the environment and our obligations to it. Justin Pitre's marsh island, a legacy of his trapper grandfather, is a scenic rival to anything in the Everglades, and he has promised to protect it from all harm. But he hasn't counted on oil bigwig Tom Huff's plans to wreck his bayou paradise by ramming a pipeline through it. When cajolery doesn't sway Justin to sign the land over, Huff turns to darker methods. But Justin and his spirited wife, Grace, prove to be formidable adversaries—and the game is on. Into the fray comes the charismatic Cajun governor Joe T. Evangeline, who seems more interested in chasing skirts than saving Louisiana's eroding coast. The Guv, though, is a man on the edge, upended by a midlife crisis and torn between a secret political obligation to Big Oil and the persuasive powers of Julie Galjour, a feisty environmentalist. Julie is clearly out to reform more than the Guv's ecopolitics, but will his tragicomic Big Oil deals wreck both his career and his chances with the brash and beautiful activist? As Justin and Grace battle to stop this Big Oil assault, the plot thickens—and the Guv becomes snared in the web. Featuring a gumbo of eccentrics and lowlifes, a kidnapping, a sexy snitch, a toxic-waste-dumping scheme, a boat chase, and a fishing trip gone horribly awry, *Crawfish Mountain*, spiced with Ken Wells's keen eye for locale, showcases his

adventurous storytelling.

Face Relations Oct 05 2020 Collection of eleven short stories that explore diversity and racism and the possibilities for resolution and hope.

When The Violets Bloom Dec 07 2020 It was, as Mark Twain called it the Gilded Age. Walter wasn't as rich as the Vanderbilts or the Rockefellers, but he had a commodity that served him well - his daughter. Dolly had learned her lessons at Madame Floushair's School for Young Women. What they hadn't taught her was her life was her own, not her father's. And it all would have stayed buried in the past, but then, Pat Walker Lewis has a way of inviting ghosts to tell her their stories, and the music box wouldn't let it rest. Someone wanted her to know what happens: *When the Violets Bloom*. This sequel to *The Problem with Miracles* takes you back to the Colton Family Mansion where sometimes the walls do talk.
