Summary of Robert T. Kiyosaki's Rich Dad's Increase Your Financial IQ Nov 24 2021 Buy now to get the main key ideas from Robert T. Kiyosaki's Rich Dad's Increase Your Financial IQ

If you think it takes money to make money, you're wrong. What it takes is a high financial IQ. Robert T. Kiyosaki's *Rich Dad's Increase Your Financial IQ* (2008) defines financial intelligence, explains its five different forms, and dives deep into each. Kiyosaki exposes misconceptions about finance and provides valuable knowledge that can jumpstart your career as a savvy entrepreneur. In the end, it's not stocks, precious metals, property, money, or even hard work that makes you wealthy - it's what you know about these things. It's your financial IQ that really makes you rich.

Why the Rich Are Getting Richer Oct 12 2020 It's Robert Kiyosaki's position that "It is our educational system that causes the gap between the rich and everyone else." He laid the foundation for many of his messages in the international best-seller *Rich Dad Poor Dad* -- the #1 Personal Finance book of all time -- and in *Why the Rich Are Getting Richer*, he makes his case... In this book, the reader will learn why the gap between the rich and everyone else grows wider. In this book, the reader will get an explanation of why savers are losers. In this book, the reader will find out why debt and taxes make the rich richer. In this book, the reader will learn why traditional education actually causes many highly educated people, such as Robert's poor dad, to live poorly. In this book, the reader will find out why going to school, working hard, saving money, buying a house, getting out of debt, and investing for the long term in the stock market is the worst financial advice for most people. In this book, the reader will learn the answers Robert found on his life-long search, after repeatedly asking the question, "When will we learn about money?" In this book, the reader will find out why real financial education may never be taught in schools. In this book, the reader will find out "What financially education is..."

really."

Rich Dad's Guide to Investing Mar 29 2022 Rich Dad's Guide to Investing is a guide to understanding the real earning power of money by learning some of the investing secrets of the wealthy.

Rich Dad Poor Dad Jul 09 2020 In Rich Dad Poor Dad, the #1 Personal Finance book of all time, Robert Kiyosaki shares the story of his two dad: his real father, whom he calls his 'poor dad,' and the father of his best friend, the man who became his mentor and his 'rich dad.' One man was well educated and an employee all his life, the other's education was 'street smarts' over traditional classroom education and he took the path of entrepreneurship road that led him to become one of the wealthiest men in Hawaii. Robert's poor dad struggled financially all his life, and these two dads these very different points of view of money, investing, and employment shaped Robert's thinking about money. Robert has challenged and changed the way tens of millions of people, around the world, think about money and investing and he has become a global advocate for financial education and the path to financial freedom. Rich Dad Poor Dad (and the Rich Dad series it spawned) has sold over 36 million copies in English and translated editions around the world. Rich Dad Poor Dad will? * explode the myth that you need to earn a high income to become rich * challenge the belief that your house is an asset * show parents why they can't rely on the school system to teach their kids about money * define, once and for all, an asset and a liability * explain the difference between good debt and bad debt * teach you to see the world of money from different perspectives * discuss the shift in mindset that can put you on the road to financial freedom

Rich Dad's Guide to Becoming Rich...Without Cutting Up Your Credit Cards Aug 02 2022 Why cutting up your credit cards won't make you rich A popular TV personality often says, "Take out your credit cards and cut them into pieces." While that is sound advice for people who are not financially responsible, it is inadequate advice for anyone who wants to become rich or financially free. In other words, just cutting up your credit cards will not make you rich. What does make you rich is financial education...unfortunately a type of education we do not receive in school. If a person has a solid financial education, they would know that there are two kinds of debt...good debt and bad debt. A person with a sound financial education would know how to use good debt to make them richer faster...much faster than a person who only saves money and has no debt. Rich Dad's Guide to Becoming Rich * Are you in credit card debt? * Is job security dead? * Is your financial security threatened? * Is a high-paying job the answer? * Is your money working for you? * Do you have good debt or bad debt? We all need more financial education. We need to know how to have our money work hard for us so we don't have to spend our lives working for money. That is why we need more sophisticated financial education...not oversimplified and childish financial tips such as cut up your credit cards or save more money. If you are ready to increase your financial education and enjoy your credit cards, then this book is for you.

Having it All Jun 27 2019 Our schools and parents teach us only a small fraction of what we need to learn in order to reach our true potential and achieve success. The rest we must learn through our own trials and tribulations. 'Street kid' John Assaraf broke free from a troubled past to create a multi-million dollar empire. In *Having it All*, Assaraf tells of his discovery that, no

matter what kind of difficult circumstances someone happens to be in at any one time, he or she can achieve whatever they want in life. By combining old-world wisdom and street-smart tactics, Assaraf created the life of his dreams. He shares his method here.

Rich Dad's Success Stories Oct 24 2021 An extraordinary collection of business success stories--all applying the principles from the #1 "New York Times" bestseller "Rich Dad Poor Dad."

The Dad's Edge Oct 31 2019 If you could improve one area in your dad journey...what would it be? What would it be like if you mastered not one, but several aspects of your dad journey all at once? What would life be like if you improved your level of patience, had better and deeper connections with your wife and kids, improved your relationships outside the immediate family, and all while mastering a good work/life balance? How would life be different if you did this? Hello, I'm Larry Hagner and I'm a dad. I love being a dad. And I believe that being a dad is one of the most rewarding aspects of a man's life. However, being a father can humble you like nothing else can. There really is no roadmap. With so few resources out there for dads like us, I decided to create The Dad Edge to help YOU as a dad to give you easy to implement techniques you can use to be your very best and enjoy your journey of fatherhood. The Dad's Edge will help you: * Master work/life balance * Discover three techniques to improve and maintain a great connection with your kids * Improve your connection & intimacy with your spouse, no matter how busy you are * Improve your relationships outside the immediately family * Uncover three easy ways to improve your patience short term and long term * Discover simple ways to show up big for your kids and be present in the moment * Thrive (Not Survive) your journey of

fatherhood If you can identify with one or more of these issues, I understand first hand. Every one of us struggles with these issues on our dad journey and now I've empowered you with some great strategies and a solid roadmap in The Dad's Edge so you can relax and feel confident you are "good dad focused" and nothing will stand in your way!

Rich Dad's Who Took My Money? Feb 25 2022 Reveals how to actually speed up and maximize the return on investments to achieve total financial independence.

Rich Dad's Rich Kid, Smart Kid Feb 13 2021 This handbook for parents explains how to teach children the fundamental principles of finance, introducing problem-solving skills that help youngsters understand the importance of a good education and financial planning in their lives.

Rich Dad, Poor Dad Dec 14 2020 In Rich Dad Poor Dad, the #1 Personal Finance book of all time, Robert Kiyosaki shares the story of his two dad: his real father, whom he calls his poor dad,' and the father of his best friend, the man who became his mentor and his rich dad.' One man was well educated and an employee all his life, the other's education was street smarts" over traditional classroom education and he took the path of entrepreneurship a road that led him to become one of the wealthiest men in Hawaii. Rich Dad Poor Dad (and the Rich Dad series it spawned) has sold over 36 million copies in English and translated editions around the world. Rich Dad Poor Dad will explode the myth that you need to earn a high

income to become rich challenge the belief that your house is an asset show parents why they can't rely on the school system to teach their kids about money define, once and for all, an asset and a liability explain the difference between good debt and bad debt teach you to see the world of money from different perspectives discuss the shift in mindset that can put you on the road to financial freedom

The Cheapskate Next Door Feb 02 2020 America's Ultimate Cheapskate is back with all new secrets for how to live happily below your means, à la cheapskate. For The Cheapskate Next Door, Jeff Yeager tapped his bargain-basement-brain-trust, hitting the road to interview and survey hundreds of his fellow cheapskates to divulge their secrets for living the good life on less. Jeff reveals the 16 key attitudes about money – and life – that allow the cheapskates next door to live happy, comfortable, debt-free lives while spending only a fraction of what most Americans spend. Their strategies will change your way of thinking about money and debunk some of life's biggest money myths. For example, you'll learn: how to cut your food bill in half and eat healthier as a result; how your kids can get a college education without ever borrowing a dime; how to let the other guy pay for depreciation by learning the secrets of buying used, not abused; how you can save serious money by negotiating and bartering; and how – if you know where to look – there's free stuff and free fun all around you. The Cheapskate Next Door also features dozens of original "Cheap Shots" – quick, money saving tips that could save you more than \$25,000 in a single year! Cheap Shots give you the inside scoop on: -- How to save hundreds on kids' toys; -- What inexpensive old-fashioned kitchen appliance can save you more than \$200 a year; -- How you can travel the world without ever having to pay for lodging; -- What single

driving tip can save you \$30,000 during your lifetime; -- Even how to save up to 40% on fine wines (and we're not talking about the kind that comes in a box). From simple money saving tips to truly life changing financial strategies, the cheapskates next door know that the key to financial freedom and enjoying life more is not how much you earn, but how much you spend.

Rich Dad's Prophecy Jul 21 2021 When the generation known as 'Baby Boomers' begin to retire and cash in on their plans, there's a chance that this drain on reserves could cause a major devaluation in people's savings. This book offers a plan to help you prepare for the worst, offering alternative investments.

Parenting Matters Dec 02 2019 Decades of research have demonstrated that the parent-child dyad and the environment of the family—which includes all primary caregivers—are at the foundation of children's well-being and healthy development. From birth, children are learning and rely on parents and the other caregivers in their lives to protect and care for them. The impact of parents may never be greater than during the earliest years of life, when a child's brain is rapidly developing and when nearly all of her or his experiences are created and shaped by parents and the family environment. Parents help children build and refine their knowledge and skills, charting a trajectory for their health and well-being during childhood and beyond. The experience of parenting also impacts parents themselves. For instance, parenting can enrich and give focus to parents' lives; generate stress or calm; and create any number of emotions, including feelings of happiness, sadness, fulfillment, and anger. Parenting of young children today takes place in the context of significant ongoing developments. These include: a rapidly growing body of science on early childhood, increases in funding for programs and services for

families, changing demographics of the U.S. population, and greater diversity of family structure. Additionally, parenting is increasingly being shaped by technology and increased access to information about parenting. Parenting Matters identifies parenting knowledge, attitudes, and practices associated with positive developmental outcomes in children ages 0-8; universal/preventive and targeted strategies used in a variety of settings that have been effective with parents of young children and that support the identified knowledge, attitudes, and practices; and barriers to and facilitators for parents' use of practices that lead to healthy child outcomes as well as their participation in effective programs and services. This report makes recommendations directed at an array of stakeholders, for promoting the wide-scale adoption of effective programs and services for parents and on areas that warrant further research to inform policy and practice. It is meant to serve as a roadmap for the future of parenting policy, research, and practice in the United States.

New Research on Parenting Programs for Low-Income Fathers Jun 19 2021 This book presents state-of-the-art findings of research on fatherhood programs, funded by the Fatherhood Research and Practice Network (FRPN), which advance knowledge and practice in the fathering field. **New Research on Parenting Programs for Low-Income Fathers** includes research on how to engage mothers to support father-child contact and to successfully employ social media and online technology for practice. It offers findings on how to increase paternal engagement and parenting skills and to include fathers in policies and programs for children and families. It discusses the importance of providing staff training and resources to practitioners who work directly with fathers. Chapters also provide summaries of key implications for evidence-based

practice and future directions for research that encourage effective fatherhood practice. This book is an excellent resource for therapists, social workers, fatherhood educators, fatherhood practitioners, researchers, and policy makers on how to inspire positive father engagement with children and healthy coparenting relationships.

More Important Than Money Apr 17 2021 Many people have million-dollar ideas. They're confident that their new product or service or innovation will make them rich and that all their dreams will come true. The problem is: Most people don't know how to turn their million-dollar idea into millions of dollars. According to many social scientists, the most important thing in life is a person's social and professional network. In other words, the people around us--our associates, our team, our friends. The people we surround ourselves with--and the people we go to for advice and guidance--can mean the difference between success and failure. And as he taught in *Rich Dad Poor Dad*, if the people around you have a poor person's mindset, it's likely that you'll be, or stay, poor. Your team, in life and in business, will determine if your million-dollar idea will give you a million-dollar payday. In *More Important Than Money*, Robert teams up with his most trusted Advisors who contribute not only chapters on the strengths and talents they bring to the team, but offer candid and insightful individual Profiles and excerpts from each of the 14 *Rich Dad Advisor Series* books. Readers will meet all of Robert's *Rich Dad Advisors* and learn why they are among his most valuable assets.

Rich Dad's Increase Your Financial IQ Jan 27 2022 For years, Robert Kiyosaki has firmly believed that the best investment one can ever make is in taking the time to truly understand how one's finances work. Too many people are much more interested in the quick-hitting scheme, or

trying to find a short-cut to real wealth. As Kiyosaki has preached over and over again, one has to truly understand the process of how money works before one can start out on trying to escape the daily financial Rat Race. Now, in this latest book in the popular Rich Dad Poor Dad series, Kiyosaki lays out his 5 key principles of Financial Intelligence for all to understand. In **INCREASE YOUR FINANCIAL IQ**, Kiyosaki provides real insights on these key steps to wealth:

- o How to increase your money -- how to assess what you're really worth now, what your prospects are, and how to start mapping out your financial future.
- o How to protect your money -- for better or for worse, taxes are a way of life. Kiyosaki shows you that "it's not what you make....it's what you keep."
- o How to budget your money -- everybody wants to live large, but you have to learn how to live within your budget. Kiyosaki shows you how you can.
- o How to leverage your money -- as you build your financial IQ, knowing how to put your money to work for you is a crucial step.
- o How to improve your financial information -- Kiyosaki shows you how to accelerate your wealth as you learn more and more.

Rich Dad's Retire Young, Retire Rich Sep 22 2021 This book is about how we started with nothing and retired financially free in less than ten years. Find out how you can do the same. If you do not plan on working hard all of your life...this book is for you. Why not Retire Young and Retire Rich?

The ABCs of Real Estate Investing Aug 22 2021 This book will teach you how to:

- Achieve wealth and cash flow through real estate
- Find property with real potential
- Show you how to unlock the myths that are holding you back
- Negotiating the deal based on the numbers
- Evaluate property and purchase price

management tools

Rich Dad's Cashflow Quadrant May 31 2022 This work will reveal why some people work less, earn more, pay less in taxes, and feel more financially secure than others.

Midas Touch Jun 07 2020 For the first time, two of the worlds most successful and influential entrepreneurs will share their own Midas Touch secrets. Secrets that will inspire you to find and fulfill your passion as well as provide you with the hands-on guidance you need to be successful.

Rich Dad Poor Dad for Teens May 19 2021 This special just-for-teens edition builds a foundation of self-confidence from which readers can realize their dreams of financial security in an increasingly challenging and unreliable job market. Teen-friendly advice, examples, sidebars and straight talk will supplement all of Rich Dad's core advice: Work to learn, not to earn. Don't say "I can't afford it"--Instead, say "How can I afford it" And don't work for money - make money work for you! No matter how confident or "good in school" readers consider themselves to be, this makes financial intelligence available to all young people with its streamlined structure, clean design, and accessible voice.

Rich Dad, Poor Dad Sep 03 2022 Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and

tired of studying. “Why should I put time into studying subjects I will never use in real life?” he protested. Without thinking, I responded, “Because if you don't get good grades, you won't get into college.” “Regardless of whether I go to college,” he replied, “I'm going to be rich.”

SUMMARY - Rich Dad's Increase Your Financial IQ: Get Smarter With Your Money By

Robert T. Kiyosaki Oct 04 2022 * Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. Rich Dad's Increase Your Financial IQ Nov 05 2022 Emphasizes the importance of financial intelligence to good money management and describes how to improve financial information and increase, protect, budget, and leverage money.

Suze Orman's Action Plan Apr 05 2020 Times have changed and the rules have changed, but

financial security is still the goal. Do you know how to get there? There is a new reality out there—a new normal. What was once certain—that you would be able to retire comfortably, that you would pay for your kids' education, that your home would appreciate in value—is no longer a sure thing. So much has changed on the financial landscape that it's hard to know which moves are the right ones to make. Suze Orman's million-copy bestselling financial action plan—fully revised and updated—will show you the way. **NEW TIMES CALL FOR NEW RULES—AND THIS IS WHAT SUZE ORMAN'S ACTION PLAN DELIVERS:** • up-to-date information on new legislation that could affect how you will achieve your financial goals • an explanation of new FICO practices, and a new strategy for dealing with credit cards when you're trying to get out of debt • sound advice about rebuilding your retirement plan, and what to do if you're already retired • guidance on how to live within your means, and strategies to keep you on the path to achieving your goals in this new age of financial honesty **PLUS AN ALL-NEW CHAPTER ON KIDS AND MONEY—how to give your kids a solid financial education, no matter their age!** [Becoming the Dad Your Daughter Needs](#) Nov 12 2020 A father models for his daughter how women should be treated, how men should act, and how a man shows healthy love and affection toward a woman. And, perhaps most importantly, he sets the standard for how his daughter feels she deserves to be treated by men. Rick Johnson shows men how to develop the close relationships with their daughters that they both need and crave.

[Own Your Own Corporation](#) Aug 10 2020 Garrett Sutton's Own Your Own Corporation has become the resource to turn to to learn how you as a private citizen can take advantage of incorporating yourself and your business. As we now know, such a move can not only save you

thousands and thousands of dollars in taxes, but can also protect your home, savings and family assets from the potential attack of creditors. But since the book's publication in 2001, changes in tax laws and other important regulations have been made that affect those pursuing or having corporation status. Now, in a newly revised and updated edition, readers will find the same indispensable and timeless advice (on topics ranging from management control and avoiding disputes to flexibility of decision-making) and a highly accessible breakdown of all the latest pertinent legal developments and how they affect you.

The Stock Market Cash Flow Mar 05 2020 The book begins by addressing many of the challenges stock market investors face today and the various ways many investors use the stock market to achieve their goals. A valuable discussion of where paper assets fit (and do not fit) in the context of Rich Dad principles and its place among the other assets classes such as real estate business and commodities. The bulk of the book educates investors on "Andy's 4 pillars of stock market income" and effectively simplifies the four concepts to help investors begin to harness their power. The book concludes with ideas for an individual action plan suited to the goals of the reader

Rich Dad's Advisors: The ABC's of Property Management Jul 29 2019 So you've made your real estate investment, now the question is: How are you going to make it successful? Maximize its potential? MMake it grow? One word: management. Hundreds of thousands know bestselling author Ken McElroy as a real estate investment tycoon. In his new book, he reveals the key to his success, exceptional property management, and teaches you its most important principles, showing you how to fundamentally succeed where others fail. **THE ABC'S OF PROPERTY**

MANAGEMENT tells readers: How to decide when to manage your property and when to hire someone to do it How to implement the right systems and structures for your investment How to manage and maximize cash flow What to expect: a month in the life of an owner-manager How to find the right property manager (and avoid the wrong ones) How to assemble a superior management team.

Rich Dad's Advisors: Guide to Investing In Gold and Silver Mar 17 2021 "Throughout the ages, many things have been used as currency: livestock, grains, spices, shells, beads, and now paper. But only two things have ever been money: gold and silver. When paper money becomes too abundant, and thus loses its value, man always turns back to precious metals. During these times there is always an enormous wealth transfer, and it is within your power to transfer that wealth away from you or toward you." --Michael Maloney, precious metals investment expert and historian; founder and principal, Gold & Silver, Inc. **The Advanced Guide to Investing Gold and Silver** tells readers: The essential history of economic cycles that make gold and silver the ultimate monetary standard. How the U.S. government is driving inflation by diluting our money supply and weakening our purchasing power Why precious metals are one of the most profitable, easiest, and safest investments you can make Where, when, and how to invest your money and realize maximum returns, no matter what the economy's state Essential advice on avoiding the middleman and taking control of your financial destiny by making your investments directly. *Infinite Returns* Jan 15 2021 We are called to be architects of the future, not its victims." - R. BUCKMINSTER FULLER In *Infinite Returns*, Robert--with Kim and their top-notch team of Advisors--delves into how the economic and social climate of 2020 has set the stage for a decade

of unprecedented challenges as well as opportunities. He draws on his study of Bucky Fuller for vision and guidance as well as noted economists in comparing and contrasting economic theories, and looks to the future, the decade ahead, through the lens of 'cosmic accounting.' Kiyosaki uses lessons from the past to envision the future and peppers that vision with doses of today's reality... while never losing sight of the power of optimism and the individual's power to affect change--in themselves and in our world. The book includes chapters from Kim, the Rich Dad Advisors, and the Rich Dad business team who offer insights on how to achieve infinite returns: Ken McElroy, Blair Singer, Garrett Sutton, Andy Tanner, Tom Wheelwright, Josh and Lisa Lannon, John MacGregor, Mona Gambetta, and Doctors Radha Gopalan and Nicole Srednicki.

Rich Dad's Escape from the Rat Race Jan 03 2020 How do you get a child interested in learning about finance? Give them a comic book! Robert Kiyosaki, author of the Rich Dad series, recognised the increasing need for people to begin their their journey to financial literacy - and life-long wealth - as early as possible, even before they become teenagers! In *Escape from the Rat Race* basic lessons about 'working to learn, not to earn', buying assets and understanding the financial statement are revealed through the kid-friendly tale of Timid E Turtle. When Tim runs out of cash at an amusement park his savvy friend, Red E Rat, shows him how to make money work for him - and tells Robert T. Kiyosaki's own riveting account of learning the basic principles of financial success. Illustrated with full-colour sequential art that ties in to Rich Dad's popular cashflow games and Website, here's a book that allows children - and reluctant readers of all ages - the chance to take their first steps towards financial success.

Seven Years to Seven Figures Sep 30 2019 In *Seven Years to Seven Figures*, self-made millionaire and renowned wealth coach Michael Masterson reveals the steps you can take to accumulate seven-figure wealth within seven years—or less. *Seven Years to Seven Figures* will give you the tools to increase your income, get the highest possible returns on investments, save wisely—and secure your financial future faster than you may have ever dreamed.

Rich Dad's Before You Quit Your Job Jul 01 2022 The tenth book in the series provides firsthand accounts of the author's startup companies, what he learned from his successes and failures, and other topics a reader needs to know in order to start a company and quickly develop it.

The Dollar and National Security Sep 10 2020 Defense establishments and the armed forces they organize, train, equip, and deploy depend upon the security of capital and capital flows, mechanisms that have become increasingly globalized. Military capabilities are thus closely tied not only to the size of the economic base from which they are drawn, but also to the viability of global convertibility and exchange arrangements. Although the general public has a stake in these economic matters, the interests and interpretive understandings held by policy elites matter most—in particular those among the owners or managers of capital who focus on international finance and the international monetary regimes that sustain global commerce and their capital positions. In *The Dollar and National Security*, Paul Viotti explores the links between global capital flows, these policy elites, and national security. After establishing the historical link between currency, gold, and security, he continues the monetary-security story by examining the instrumental role the dollar has played in American economic and national security over the past seven decades. He reveals how perceived individual and collective interests are the key drivers

toward building the kind of durable consensus necessary to sustain the external financing of American foreign and national security policy, and addresses the future implications for national security as decision-makers in the BRICs and other countries position themselves to assume an even larger policy presence in global commercial, monetary, and security matters.

The Real Book of Real Estate Apr 29 2022 From the #1 bestselling author of "Rich Dad, Poor Dad" comes the ultimate guide to real estate--the advice and techniques every investor needs to navigate through the ups, downs, and in-betweens of the market.

Fratelli Tutti May 07 2020

Why a Students Work for C Students and Why B Students Work for the Government Aug 29 2019 A best-selling personal finance author encourages parents to not put so much emphasis on letter grades, arguing that many C students grow up to become CEOs and successful entrepreneurs. Original.

Rich Dad's Conspiracy of the Rich Dec 26 2021 In late January, 2009, Robert Kiyosaki launched CONSPIRACY OF THE RICH - a free online book which was written in serial basis to help people understand how the current recession came about, and what they need to learn on how to survive through the coming rough years. An unprecedented publishing event for Kiyosaki and The Rich Dad Company, CONSPIRACY OF THE RICH is an interactive, "Wiki-style" project in which Kiyosaki has invited feedback, commentary, and questions from readers across the globe. The response so far has been totally fantastic. Millions and millions of readers have flocked to the website (www.conspiracyoftherich.com) to read what Robert has to say about the recession, and the readers have posted thousands of comments. Some of those reader comments

will even be included in the final tradepaper version.
