Your Life as Art Nov 25 2019 This book is about creating your life just as the artist creates a painting, a composer writes a symphony, or the poet writes a poem. Robert Fritz further develops his special insights that he introduced in his best selling book *The Path of Least Resistance*. In *Your Life As Art*, Fritz shows the relationship among the mechanics, the orientation, and the depth of the human spirit within the creative process, and how your life itself can be made like a work of art. *Your Life As Art* breaks new ground, shakes up the status quo, and, at once, is common sense and revolutionary insight that can change the way you understand the dynamics of your life-building process.

Half-Earth: Our Planet's Fight for Life Aug 23 2019 "An audacious and concrete proposal...Half-Earth completes the 86-year-old Wilson's valedictory trilogy on the human animal and our place on the planet." —Jedediah Purdy, *New Republic* In his most urgent book to date, Pulitzer Prize-winning author and world-renowned biologist Edward O. Wilson states that in order to stave off the mass extinction of species, including our own, we must move swiftly to preserve the biodiversity of our planet. In this "visionary blueprint for saving the planet" (Stephen Greenblatt), *Half-Earth* argues that the situation facing us is too large to be solved piecemeal and proposes a solution commensurate with the magnitude of the problem: dedicate fully half the surface of the Earth to nature. Identifying actual regions of the planet that can still be reclaimed—such as the California redwood forest, the Amazon River basin, and grasslands of the Serengeti, among others—Wilson puts aside the prevailing pessimism of our times and "speaks with a humane eloquence which calls to us all" (Oliver Sacks).

The Book of Light Dec 07 2020 An empowering guide to embracing your flaws, celebrating your individuality, knowing your self-worth and loving your body. *The Book of Light* is your very own 'like' button, your internal power-up, your love bubble. Nia was an in-demand international model and brand ambassador with a wonderful afro that landed her on the covers of magazines, billboards and international brand ads. Then, in 2018, surrounded by friends and family, she cut it off. It was a bold move, and the first step on her journey to self-love. In this inspiring, illustrated book, Nia explores a range of emotions, from pain to joy, insecurity to confidence, to help you find your own individuality and power. The journalling activities give free rein to your inner queen to document your experiences of self-love, your flaws and life lessons. Nia shares her own path towards accepting her whole self - acne, stretch marks and all! *The Book of Light* will give you inspiration to love who you are. *The Book of Light* will remind you to be your own best friend. *The Book of Light* will help you to reflect on your journey of the past and your ambitions for the future. Are you ready to discover your light?

Your Life Sep 16 2021 "Scot believes that his life of perceived struggle and unfortunate circumstances are the RULE in todays society, not the exception, with that said, Scot says "I am the average American that has suffered the common problems of the world at large, but what makes me different is how I ended up after going through these problems". Scot believes that there is hope for all who choose to take responsibility for their life's present circumstances, and get into action, which is what this book is focused on."--Cover.

This Book Could Fix Your Life Sep 04 2020 We all want to be happier, more successful and less stressed, but what really works? From improving creativity to building confidence,

self-care to self-esteem, forming better habits and feeling happier, Fix Your Life debunks the fads and explores the real science of self-help. Can you learn to make better decisions? Or break bad habits and form new ones? What should you eat to feel happier? How do you learn a skill faster? Does mindfulness really work? Dispelling mental health myths and self-help fads, here is the truth about meditation, making smarter choices, addiction, CBT, Tai Chi, success, diet, healthy relationships, anxiety, antidepressants, intelligence, willpower and much more. Full of the latest research and ground-breaking evidence, packed with useful advice, this book really could fix your life.

Designing Your Life Feb 09 2021 #1 NEW YORK TIMES BEST SELLER • At last, a book that shows you how to build—design—a life you can thrive in, at any age or stage. Designers create worlds and solve problems using design thinking. Look around your office or home—at the tablet or smartphone you may be holding or the chair you are sitting in. Everything in our lives was designed by someone. And every design starts with a problem that a designer or team of designers seeks to solve. In this book, Bill Burnett and Dave Evans show us how design thinking can help us create a life that is both meaningful and fulfilling, regardless of who or where we are, what we do or have done for a living, or how young or old we are. The same design thinking responsible for amazing technology, products, and spaces can be used to design and build your career and your life, a life of fulfillment and joy, constantly creative and productive, one that always holds the possibility of surprise.

How to Skimm Your Life Apr 11 2021 #1 NEW YORK TIMES BESTSELLER • It might seem like everyone you know took secret classes on budgeting, owning their career, and choosing the right wine—and you were sick that day. Enter: How to Skimm Your Life. With the Skimm's trademark mix of real talk, humor, and inspirational messaging, this book gives you the information you need to make informed and empowered decisions in your life. Covering everything from personal finance, to career, to stress management, global politics, and more, How to Skimm Your Life breaks down some of the less glamorous parts of adulthood and answers questions like: • “What’s the difference between an ETF and a mutual fund?” • “How should I negotiate my salary when I’m offered a new job?” • “Should I claim standard or itemized deductions on my taxes?” • “How should I tip while traveling abroad?” • “How do I read the wine list without breaking out a dictionary?” And much more . . . Wine & Food • Travel • Networking • Job Searching • Personal Growth • Mental Health • Time Management • Budgeting • Investing • Health Insurance • International Relations • US Government With life hacks for anyone who’s starting out in the real world, looking to make a change, or just wants a reset, How to Skimm Your Life will be time well spent—making it the perfect gift for graduation, birthdays, or your best friend “just because.”

Own Your Life Jun 01 2020 In a world that's moving so fast, it's easy to lose your sense of purpose. Clarkson journeys with you to explore what it means to live meaningfully, follow God truly, and bring much-needed order to your chaos. Discover what it means to own your life, and dare to trust God's hands as He richly shapes your character, family, work, and soul.

The Life Dec 27 2019 "I really enjoyed the story, and the details made the story even more realistic, I lost myself in the whole book." From the International Bestselling author, Sagar Constantin comes the first book in the addictive IN-BETWEEN series. Eva Monroe is returning from a three-week business trip, one in which she left her five-year-old son in the care of her estranged ex-husband when the plane that's taking her home crashes. The accident leaves her in a coma, unresponsive to doctors' attention and the urgings of her little boy. However, while Eva's body lies on the precipice of death, Eva's spirit has traveled to a place known as the In-Between - a world that is hovering in the clouds above our planet. The In-Between is a temporary home for people where they must decide whether to return to their lives on Earth or move on to the next stage in their development. It is a wondrous place, filled with spiritual aids and advanced technology. It is also a place where a person faces themselves fully for the first time. When Eva arrives at the In-Between, she is utterly sure of her decision: she wants to return to her son. Yet, she soon realizes that what she believes about herself and her place in the world isn't as straightforward as she'd always assumed. And with this realization comes the understanding that her decision will be much harder to make than she ever would have guessed. Thus, she is faced with the most challenging decision a parent can make.

Life on Mars Feb 27 2020 In this sneaky, silly picture book for fans of Oliver Jeffers and Jon Klassen, an intrepid—but not so clever—space explorer is certain he’s found the only living thing on Mars. A young astronaut is absolutely sure there is life to be found on Mars. He sets off on a solitary mission, determined to prove the naysayers wrong. But when he arrives, equipped with a package of cupcakes as a gift, he sees nothing but a nearly barren planet. Finally, he spies a single flower and packs it away to take back to Earth as proof that there is indeed life on Mars. But as he settles in for the journey home, he cracks open his cupcakes—only to discover that someone has eaten them all! Readers will love being in on the secret: unbeknownst to the explorer, a Martian has been wandering through the illustrations the whole time—and he got himself a delicious snack along the way.

Life on Purpose Jul 22 2019 A pioneer in the field of behavioral science delivers a groundbreaking work that shows how finding your purpose in life leads to better health and overall happiness. Your life is a boat. You need a rudder. But it doesn't matter how much wind is in your sails if you're not steering toward a harbor—an ultimate purpose in your life. While the greatest philosophers have pondered purpose for centuries, today it has been shown to have a concrete impact on our health. Recent studies into Alzheimer's, heart disease, stroke, depression, functional brain imaging, and measurement of DNA repair are shedding new light on how and why purpose benefits our lives. Going beyond the fads, opinions, and false hopes of “expert” self-help books, Life on Purpose explores the incredible connection between purposeful living and the latest scientific evidence on quality of life and longevity.

Drawing on ancient and modern philosophy, literature, psychology, evolutionary biology, genetics, and neuroscience, as well as his experience in public health research, Dr. Vic Strecher reveals the elements necessary for a purposeful life and how to acquire them, and outlines an elegant strategy for improving energy, willpower, and long-term happiness, and well-being. He integrates these core themes into his own personal story—a tragedy that led him to reconsider his own life—and how a deeper understanding of purposeful living helped him not only survive, but thrive. Illuminating, accessible, and authentically grounded in real people's experiences, Life on Purpose is essential reading for everyone seeking lasting improvement in

their lives.

A Life on Our Planet Sep 28 2022 With a new afterword, *Why You Are Here: A speech on the opening of the COP26 climate summit* As a young man, I felt I was out there in the wild, experiencing the untouched natural world - but it was an illusion. The tragedy of our time has been happening all around us, barely noticeable from day to day - the loss of our planet's wild places, its biodiversity. I have been witness to this decline. *A Life on Our Planet* contains my witness statement, and my vision for the future - the story of how we came to make this, our greatest mistake, and how, if we act now, we can yet put it right. We have the opportunity to create the perfect home for ourselves and restore the wonderful world we inherited. All we need is the will do so.

Your Life Is a Book - And It's Time to Write It! Jul 26 2022 Do you have a story that you just have to tell? Do you seek to preserve your life history as a gift for loved ones, or to pay tribute to those who have meant the most to you? Do you yearn to write about one major life experience to inspire others? You're not alone. The desire to write our life story is a timeless, universal urge. Somewhere inside us we know that writing a book about our life will touch those we love, while enriching our lives in today's cell phone-laptop lifestyle. Life is a book, and women and men from 19 to 99 are hearing the call to write it. Someone is waiting to hear you tell your life story: who you are, how you've lived, what you've learned. They want to hear all the stories that have shaped your life. *Your Life Is a Book - And It's Time to Write It! An A-to-Z Guide to Help Anyone Write Their Life Story* will take you on the journey of creating your memoir, autobiography, or life story. It doesn't matter how old or how young you are, or whether you've written a lot, a little, or not at all. Through practical tools, lively writing exercises, engaging questions, and helpful illustrations, you'll receive the guidance and encouragement you need from an expert life-writing teacher. Start writing your life story today! Kevin Quirk, M.A., has been helping ordinary people of all ages and backgrounds write their life stories as ghostwriter, personal historian, and *Writing Your Life Story* teacher since 1998. A former journalist and founder of *Life Is a Book*, he is coauthor of *Brace for Impact: Miracle on the Hudson Survivors Share Their Stories of Near Death and Hope for New Life*.

Light on Life Oct 17 2021 B.K.S. Iyengar--hailed as "the Michelangelo of yoga" (BBC) and considered by many to be one of the most important yoga masters--has spent much of his life introducing the modern world to the ancient practice of yoga. Yoga's popularity is soaring, but its widespread acceptance as an exercise for physical fitness and the recognition of its health benefits have not been matched by an understanding of the emotional, intellectual, and spiritual development that the yogic tradition can also offer. In *Light on Life*, B.K.S. Iyengar brings readers this new and more complete understanding of the yogic journey. Here Iyengar explores the yogic goal to integrate the different parts of the self (body, emotions, mind, and soul), the role that the yoga postures and breathing techniques play in our search for wholeness, the external and internal obstacles that keep us from progressing along the path, and how yoga can transform our lives and help us to live in harmony with the world around us. For the first time, Iyengar uses stories from his own life, humor, and examples from modern culture to illustrate the profound gifts that yoga offers. Written with the depth of this sage's great wisdom, *Light on Life* is the culmination of a master's spiritual genius, a treasured companion to his seminal *Light on Yoga*.

This Book Will Save Your Life Apr 23 2022 Since her debut in 1989, A. M. Homes, author of the forthcoming novel *The Unfolding*, has been among the boldest and most original voices of her generation, acclaimed for the psychological accuracy and unnerving emotional intensity of her storytelling. Her ability to explore how extraordinary the ordinary can be is at the heart of her touching and funny new novel, her first in six years. *This Book Will Save Your Life* is a vivid, uplifting, and revealing story about compassion, transformation, and what can happen if you are willing to lose yourself and open up to the world around you.

Life on Christmas Eve Mar 30 2020 After watching *It's a Wonderful Life* for the first time, thirty-one-year-old Julie Shelly's predictable small-town life turns anything but as she begins experiencing uncanny parallels between her life and the fictional *George Bailey's*. Initially intrigued by the way her life seems to imitate the classic movie, Julie secretly hopes the strange similarities bear some kind of deeper existential significance. But real life soon brings her back down to earth and she dismisses the episodes as mere coincidence and the wishful thinking of her restless spirit. Julie decides to put the *Wonderful Life* foolishness behind her...until a tragedy puts her faith to the test and forces her to view the odd movie coincidences in a completely different light. Her epiphany ultimately spurs her toward an extraordinary, life-changing encounter with a vulnerable stranger on Christmas Eve.

Reboot Your Life Nov 18 2021 More Americans are choosing to take time off from work to relax or re-examine their priorities, so they can return to work energized. Some companies offer formal sabbatical programs, but how can the average person take time off to evaluate their direction, explore their passions, and make time for the things that are really important? Whether you're disillusioned with your career, yearning to follow a dream, or taking time out after a layoff, now is the time to step back and reboot. This book will show you how you can give yourself the best gift ever—the gift of time. People who take sabbaticals report feeling happier, and they return to their jobs refreshed, reinvigorated, and ready to tackle new challenges. *Reboot Your Life* draws upon the experiences of the four authors and their interview subjects: 200 people who have taken sabbaticals and 150 organizations offering sabbatical programs. The book includes real-life stories and exercises to help the reader figure out how to plan for and take a sabbatical, or how to use unexpected time off.

This Book Will Change Your Life Jun 25 2022 Is the year ahead looking much the same as the last? Another 365-day grind of meetings, dinner dates, and deadlines? If so, try this book--the perfect gift for the adventurous reader. Part instruction manual, part therapy, part religious cult, part sheer anarchy, *This Book Will Change Your Life* will help you poke a stick in the spokes of your routine. It's not the soft-hearted kind of book that's interested in what you have to say; rather it contains 365 daily orders, each one of which could turn your humdrum

existence into a daily free-fall. Whether learning to tell one joke properly, spending an hour talking to a tree, or choosing a motto to live by, *This Book Will Change Your Life* will lead you to make every day of the next year the first day of your new life.

Life Is Short And So Is This Book: Brief Thoughts On Making The Most Of Your Life Jun 13 2021 Life is short. You can, if you work hard and are lucky, get more of almost anything, but you can't get more time. Time only goes one way. The average American has a lifespan of less than 30,000 days. So how you choose to live matters. That's the topic of this book. I don't pretend to have all the answers. I'm still learning every day, and many of the good ideas here I've picked up from other people either directly or by reading. But this is what's worked for me. Like life, this book is short. Many books I read could communicate their ideas in fewer pages. So I've tried to be brief in line with the wise person who noted: "If I'd had more time I would have written a shorter letter". I don't think brevity implies lack of content. The concepts here have improved the quality of my life, and I hope they're useful to you as well. Using these concepts, I have created a life I love. My job doesn't feel like work. I love and respect the people with whom I spend time. And I'm also passionate about my life outside work. I've learned how to create a balance that makes me happy between work and other interests, including my family, friends and exercise. Sadly I think that's rare. And yet, while I know I'm lucky, most people can work towards those goals in their own lives. My interest in making the most of my life began when I was just starting college, but when I was in my mid-thirties a boss I admired died of cancer. He was young. He had a great wife; he had three young children; he had a fantastic career -- he had everything in life. He just didn't have enough time. So, while I'd often thought about how to get the most out of life, the death of someone so young and vital increased my sense of urgency to act on it. One of the things I've always wanted to do was to work for myself. As a result, I left an exciting job at Microsoft in 2001 amidst the Internet bust to found the investing firm I now run. It was hard to do, both financially and emotionally. When I left Microsoft, many people - friends, family, and even some of the press - thought I was deluding myself to start a fund focused on Internet-related companies during a market crash. A press quote from the time said: "Call him a little crazy. Call him a little nuts." I'd never seen that type of coverage before. And, in a sense, the press was right; the business wasn't easy to start. Fortunately, from a vantage point of ten years down the road, it's worked out quite well. A key part of my job is reading and thinking about a broad variety of topics. So writing this book was relatively easy. It's even easier to read. But, like many things in life, actually executing each day on these concepts is extremely difficult. With thanks to Thomas Edison, life is 1% inspiration and 99% perspiration. Even so, I hope you have fun perspiring. Peter Atkins Seattle, WA December, 2010

A Life on Our Planet Aug 27 2022 *Goodreads Choice Award Winner for Best Science & Technology Book of the Year* In this scientifically informed account of the changes occurring in the world over the last century, award-winning broadcaster and natural historian shares a lifetime of wisdom and a hopeful vision for the future. See the world. Then make it better. I am 93. I've had an extraordinary life. It's only now that I appreciate how extraordinary. As a young man, I felt I was out there in the wild, experiencing the untouched natural world - but it was an illusion. The tragedy of our time has been happening all around us, barely noticeable from day to day -- the loss of our planet's wild places, its biodiversity. I have been witness to this decline. *A Life on Our Planet* is my witness statement, and my vision for the future. It is the story of how we came to make this, our greatest mistake -- and how, if we act now, we can yet put it right. We have one final chance to create the perfect home for ourselves and restore the wonderful world we inherited. All we need is the will to do so.

Life on Earth May 24 2022 A new, beautifully illustrated edition of David Attenborough's groundbreaking *Life on Earth*.

I Live a Life Like Yours Jan 28 2020 "A quietly brilliant book that warms slowly in the hands." —Dwight Garner, *The New York Times* I am not talking about surviving. I am not talking about becoming human, but about how I came to realize that I had always already been human. I am writing about all that I wanted to have, and how I got it. I am writing about what it cost, and how I was able to afford it. Jan Grue was diagnosed with spinal muscular atrophy at the age of three. Shifting between specific periods of his life—his youth with his parents and sister in Norway; his years of study in Berkeley, St. Petersburg, and Amsterdam; and his current life as a professor, husband, and father—he intersperses these histories with elegant, astonishingly wise reflections on the world, social structures, disability, loss, relationships, and the body: in short, on what it means to be human. Along the way, Grue moves effortlessly between his own story and those of others, incorporating reflections on philosophy, film, art, and the work of writers from Joan Didion to Michael Foucault. He revives the cold, clinical language of his childhood, drawing from a stack of medical records that first forced the boy who thought of himself as “just Jan” to perceive that his body, and therefore his self, was defined by its defects. *I Live a Life Like Yours* is a love story. It is rich with loss, sorrow, and joy, and with the details of one life: a girlfriend pushing Grue through the airport and forgetting him next to the baggage claim; schoolmates forming a chain behind his wheelchair on the ice one winter day; his parents writing desperate letters in search of proper treatment for their son; his own young son climbing into his lap as he sits in his wheelchair, only to leap down and run away too quickly to catch. It is a story about accepting one's own body and limitations, and learning to love life as it is while remaining open to hope and discovery.

A Little Life Oct 25 2019 NATIONAL BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. A NATIONAL BOOK AWARD FINALIST • A MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE *A Little Life* follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara's new novel, *To Paradise*, coming in January 2022.

Your Life on Earth May 12 2021

Krishnamurti

On Life Apr 30 2020 In the summer of 1886, shortly before his fifty-eighth birthday, Leo Tolstoy was seriously injured while working in the fields of his estate. Bedridden for over two months, Tolstoy began writing a meditation on death and dying that soon developed into a philosophical treatise on life, death, love, and the overcoming of pessimism. Although begun as an account of how one man encounters and laments his death and makes this death his own, the final work, *On Life*, describes the optimal life in which we can all be happy despite our mortality. After its completion, *On Life* was suppressed by the tsars, attacked by the hierarchs of the Russian Orthodox Church, and then censored by the Stalinist regime. This critical edition is the first accurate translation of this unsung classic of Russian thought into English, based on a study of manuscript pages of Tolstoy's drafts, and the first scholarly edition of this work in any language. It includes a detailed introduction and annotations, as well as historical material, such as early drafts, documents related to the presentation of an early version at the Moscow Psychological Society, and responses to the work by philosophers, religious leaders, journalists, and ordinary readers of Tolstoy's day.

A Life of Being, Having, and Doing Enough Nov 06 2020 From the moment we are born, we are seekers. Our culture obsessively promotes the pursuit of money, success and self-improvement. At the end of each activity-jammed day, though, we collapse into bed discouraged by everything we have not checked off on our to-do lists, in despair that whatever we have accomplished is never enough. Worse still, when our dreams become derailed by the inherent tragedies of life—job loss, financial peril, sickness, or the death of a loved one—we feel devastated by the pain and injustice of it all. Nationally renowned author, therapist, and minister Wayne Muller offers healing for the perpetually stressed in *A Life of Being, Having, and Doing Enough*. By learning compassion and mercy for ourselves and by recognizing what is most profoundly true about who we are and what we need, we can gain the self-acceptance so that whatever we choose to do, in this moment, it is wholly enough. Muller mixes the writings of great spiritual and political leaders with inspirational anecdotes from his own life, inviting us to derive more satisfaction from less and pull gratitude out of the ashes of grief. The answer to what he describes as "authentic happiness" lies not in seeing the glass as half full instead of half empty. In reality, he writes, the glass is always half full and half empty. The world is neither broken nor whole, but eternally engaged in rhythms between joy and sorrow. With Muller's guidance, we may find ourselves on the most courageous spiritual pilgrimage of our lives.

Life on Air Feb 21 2022 Sir David Attenborough is Britain's best-known natural history film-maker. His career as a naturalist and broadcaster has spanned nearly six decades, and in this volume of memoirs Sir David tells stories of the people and animals he has met and the places he has visited. Sir David is an Honorary Fellow of Clare College, Cambridge, a Fellow of the Royal Society and was knighted in 1985. He is also Britain's most respected, trusted and lauded natural history broadcaster and writer, championing conservation and standing at the forefront of issues concerning the planet's declining species. A lot has changed since his first television documentary, and in this updated edition of *Life on Air* Sir David tells us of his experiences of filming in the 21st century.

The Change Your Life Book Aug 15 2021 Making dramatic life changes can be difficult. The true secret to life-long transformation, according to certified professional counselor Bill O'Hanlon, is to take baby steps; small, subtle changes will yield profound and lasting results when added together. In this concise book, O'Hanlon shares his simple formula for making the small changes that lead to big shifts: Change the Doing, Change the Viewing, and Change the Setting. Each simple concept is illustrated with examples of everyday challenges with easy-to-implement experiments for affecting transformation, as in this example from "Change the Viewing": Don't expect, be happy: Ken Keyes developed a simple strategy to be happy: Expect everyone and everything to be exactly as it is. When you are upset, he suggests, it is only because your expectations haven't been fulfilled and you are demanding that reality be as you want it to be, rather than how it is. So expect things to be as they are, and you'll be happy. For the next day or so, every time something happens within you or out in the world that could upset you, shift into expecting it to be exactly as it is. Tell yourself it is exactly as it is supposed to be. As a licensed marriage and family therapist and the author of more than thirty books, O'Hanlon understands that it often takes only simple adjustments to create a better life. With a therapist's keen understanding of what works, O'Hanlon offers straightforward advice that is reminiscent of chatting with a dear friend for achieving simple yet significant life changes.

How Will You Measure Your Life? (Harvard Business Review Classics) Mar 22 2022 In the spring of 2010, Harvard Business School's graduating class asked HBS professor Clay Christensen to address them—but not on how to apply his principles and thinking to their post-HBS careers. The students wanted to know how to apply his wisdom to their personal lives. He shared with them a set of guidelines that have helped him find meaning in his own life, which led to this now-classic article. Although Christensen's thinking is rooted in his deep religious faith, these are strategies anyone can use. Since 1922, Harvard Business Review has been a leading source of breakthrough ideas in management practice. The Harvard Business Review Classics series now offers you the opportunity to make these seminal pieces a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world.

Life on Air Jul 14 2021 David Attenborough is one of the most influential and admired figures in English television. When 26, he applied for a job in the BBC - which then meant radio - and was promptly turned down. But someone saw his rejected application and asked, would he like to try television? He would, and sixty years later, he is still at it. Elegantly told, often very funny, here is his story. At home there is his rise to controlling BBC2, introducing colour television to Britain, encounters with Montgomery, Anthony Eden, singers, athletes, explorers, the Queen, Benjamin Britten. Abroad there are people just as remarkable, journeys up tropical rivers, to the interior of New Guinea or the Australian outback, dragons, birds of paradise, flying snakes and walls of cockroaches. Now updated to cover his work since 2009, *Life on Air* is a remarkable account of David Attenborough's passion for the natural world and his lifelong quest to understand it. .

Rewrite Your Life Oct 05 2020 "According to common wisdom, we all have a book inside of us. But how do you select and then write your most significant story--the one that helps you to evolve and invites pure creativity into your life, the one that people line up to read? In [this book], creative writing professor, sociologist, and popular fiction author Jessica Lourey guides you through the redemptive process of writing a healing novel that recycles and transforms your most precious resources--your own emotions and experiences"--Amazon.com.

Palau Jan 08 2021 *Palau: A Life on Fire* is a deeply spiritual and intimate interview with a man who knows life is drawing to an end, but is only seeing the light grow. This collection of guiding principles from one of the most respected evangelists of our day, Luis Palau, will spark in you a fiery faith to live out the good news of Jesus Christ. One of the world's most influential religious leaders shares his legacy message and spiritual memoir for the first time. Tracing his faith journey from humble beginnings on the streets of Buenos Aires, Argentina, to sharing the good news with millions and counseling world leaders, Luis' life is filled with adventure, risk, and faith. A very personal book with never-before-told stories and a 16-page photo insert, Luis recounts losing his father at an early age and caring for his five siblings and his mother. He shares how as a teenager, he heard Billy Graham speak and decided to follow in his steps. How he was brought to the United States by a faith-filled pastor named Ray Stedman from Palo Alto, California. How he came to find friendship and support from Mr. Graham later in life. And how the Lord Himself has blessed, challenged, and guided Luis and his team into some of the most exciting evangelistic campaigns the world has ever seen. With each chapter, Luis shares a foundational lesson that influenced his life and will inspire and challenge your faith. Learn about his mother's indomitable trust in God. Ponder what it means to live fully surrendered to Christ like Luis' beloved wife, Pat. And when you hear of the quiet heroes who touched and saved Luis' family, you'll discover his life message: that the gospel of Jesus is good news shared by humble, even unseen, servants of God. *Palau: A Life on Fire* is a deeply spiritual and intimate interview with a man who knows life is drawing to an end, but is only seeing the light grow. This collection of guiding principles from one of the most respected evangelists of our day will spark in you a fiery faith to live out the good news of Jesus Christ.

How To Save A Life Jan 20 2022 Jill's life lost all meaning when her dad died. Friends, boyfriend, college – nothing matters any more. Then her mom drops a bombshell: she's going to adopt a baby. Mandy is desperate for her life to change. Seventeen, pregnant and leaving home, she is sure of only one thing – her baby must never have a life like hers, whatever it takes. As their worlds change around them, Jill and Mandy must learn both how to hold on and how to let go, finding that nothing is as easy - or as difficult - as it seems. Heart-achingly beautiful, moving and funny, *How to Save a Life* has been named a Publishers Weekly Best Book of 2011, a School Library Journal Best Book of 2011 and an American Library Association 2012 Top Ten Best Fiction for Young Adults. "A rich tapestry of love and survival that will resonate with even the most cynical readers." - Booklist

12 Rules for Life Mar 10 2021 #1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. *12 Rules for Life* shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

Life Is in the Transitions Sep 23 2019 A New York Times bestseller! A pioneering and timely study of how to navigate life's biggest transitions with meaning, purpose, and skill Bruce Feiler, author of the New York Times bestsellers *The Secrets of Happy Families* and *Council of Dads*, has long explored the stories that give our lives meaning. Galvanized by a personal crisis, he spent the last few years crisscrossing the country, collecting hundreds of life stories in all fifty states from Americans who'd been through major life changes—from losing jobs to losing loved ones; from changing careers to changing relationships; from getting sober to getting healthy to simply looking for a fresh start. He then spent a year coding these stories, identifying patterns and takeaways that can help all of us survive and thrive in times of change. What Feiler discovered was a world in which transitions are becoming more plentiful and mastering the skills to manage them is more urgent for all of us. The idea that we'll have one job, one relationship, one source of happiness is hopelessly outdated. We all feel unnerved by this upheaval. We're concerned that our lives are not what we expected, that we've veered off course, living life out of order. But we're not alone. *Life Is in the Transitions* introduces the fresh, illuminating vision of the nonlinear life, in which each of us faces dozens of disruptors. One in ten of those becomes what Feiler calls a lifequake, a massive change that leads to a life transition. The average length of these transitions is five years. The upshot: We all spend half our lives in this unsettled state. You or someone you know is going through one now.

The most exciting thing Feiler identified is a powerful new tool kit for navigating these pivotal times. Drawing on his extraordinary trove of insights, he lays out specific strategies each of us can use to reimagine and rebuild our lives, often stronger than before. From a master storyteller with an essential message, *Life Is in the Transitions* can move readers of any age to think deeply about times of change and how to transform them into periods of creativity and growth.

A Life on Our Planet Oct 29 2022 *Goodreads Choice Award Winner for Best Science & Technology Book of the Year* In this scientifically informed account of the changes occurring in the world over the last century, award-winning broadcaster and natural historian shares a lifetime of wisdom and a hopeful vision for the future. See the world. Then make it better. I am 93. I've had an extraordinary life. It's only now that I appreciate how extraordinary. As a young man, I felt I was out there in the wild, experiencing the untouched natural world - but it was an illusion. The tragedy of our time has been happening all around us, barely noticeable from day to day -- the loss of our planet's wild places, its biodiversity. I have been witness to this decline. *A Life on Our Planet* is my witness statement, and my vision for the future. It is the story of how we came to make this, our greatest mistake -- and how, if we act now, we can yet put it right. We have one final chance to create the perfect home for ourselves and restore the wonderful world we inherited. All we need is the will to do so.

My Life on the Road Aug 03 2020 NEW YORK TIMES BESTSELLER • Gloria Steinem—writer, activist, organizer, and inspiring leader—tells a story she has never told before, a candid account of her life as a traveler, a listener, and a catalyst for change. ONE OF O: THE OPRAH MAGAZINE'S TEN FAVORITE BOOKS OF THE YEAR | NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Harper's Bazaar • St. Louis Post-Dispatch • Publishers Weekly When people ask me why I still have hope and energy after all these years, I always say: Because I travel. Taking to the road—by which I mean letting the road take you—changed who I thought I was. The road is messy in the way that real life is messy. It leads us out of denial and into reality, out of theory and into practice, out of caution and into action, out of statistics and into stories—in short, out of our heads and into our hearts. Gloria Steinem had an itinerant childhood. When she was a young girl, her father would pack the family in the car every fall and drive across country searching for adventure and trying to make a living. The seeds were planted: Gloria realized that growing up didn't have to mean settling down. And so began a lifetime of travel, of activism and leadership, of listening to people whose voices and ideas would inspire change and revolution. *My Life on the Road* is the moving, funny, and profound story of Gloria's growth and also the growth of a revolutionary movement for equality—and the story of how surprising encounters on the road shaped both. From her first experience of social activism among women in India to her work as a journalist in the 1960s; from the whirlwind of political campaigns to the founding of *Ms.* magazine; from the historic 1977 National Women's Conference to her travels through Indian Country—a lifetime spent on the road allowed Gloria to listen and connect deeply with people, to understand that context is everything, and to become part of a movement that would change the world. In prose that is revealing and rich, Gloria reminds us that living in an open, observant, and “on the road” state of mind can make a difference in how we learn, what we do, and how we understand each other. Praise for *My Life on the Road* “This legendary feminist makes a compelling case for traveling as listening: a way of letting strangers' stories flow, as she puts it, ‘out of our heads and into our hearts.’”—People “Like Steinem herself, [*My Life on the Road*] is thoughtful and astonishingly humble. It is also filled with a sense of the momentous while offering deeply personal insights into what shaped her.”—O: The Oprah Magazine “A lyrical meditation on restlessness and the quest for equity . . . Part of the appeal of *My Life* is how Steinem, with evocative, melodic prose, conveys the air of discovery and wonder she felt during so many of her journeys. . . . The lessons imparted in *Life on the Road* offer more than a reminiscence. They are a beacon of hope for the future.”—USA Today “A warmly companionable look back at nearly five decades as itinerant feminist organizer and standard-bearer. If you've ever wondered what it might be like to sit down with Ms. Steinem for a casual dinner, this disarmingly intimate book gives a pretty good idea, mixing hard-won pragmatic lessons with more inspirational insights.”—The New York Times “Steinem rocks. *My Life on the Road* abounds with fresh insights and is as populist as can be.”—The Boston Globe

Your Life on Purpose Dec 19 2021 So many of us postpone pursuing our goals and dreams because we think we'll get to them later, when we have more time or feel we're worthy of them. As a result, many of us go through life feeling weighed down by daily responsibilities and our own self-doubts, entirely disconnected from a sense of real purpose. Based in acceptance and commitment therapy (ACT) and powerful mindfulness practices, *Your Life on Purpose* is about doing what matters to you every day instead of waiting for the perfect time to feel fulfilled and alive. With this book as your guide, you'll learn to move past daily distractions, fear of failure, and self-judgment, and zero in on the passions that connect you with your true self. You deserve to live a life of purpose, aligned with your deepest values. It's time. With this book, you'll discover how to:

- Find and do what you are passionate about
- Keep mental obstacles, fears, and daily demands from blocking your path to fulfillment
- Find your way when values conflict
- Focus on what truly matters to make your dreams a reality
- Make a lasting impact on the world

So what are you waiting for? Start changing your life today.

The Purpose Driven Life Jul 02 2020 Discover and fulfill your God-given purpose by joining the more than thirty-five million others who have embarked on a spiritual journey that started with this #1 New York Times bestselling book by Pastor Rick Warren. Before you were born, God knew what your life had in store for you. His hope for you is to discover the life he created just for you--both here on earth, and forever in eternity. Let Rick Warren guide you as you learn to live out your true purpose. *The Purpose Driven Life* is more than a book; it's a road map for your spiritual journey. Combining thoughtful verses from Scripture with timely stories and perspectives from Warren's own life, *The Purpose Driven Life* will help you discover the answer to one of life's most important questions: What on earth am I here for? Throughout *The Purpose Driven Life*, Warren will teach you to spend time getting to know yourself and your creator in order to live your life to the fullest. Unlocking your true purpose will also reduce your stress, simplify your decisions, increase your satisfaction, and, most

importantly, prepare you for eternity. Designed to be read over the course of forty-two days, The Purpose Driven Life will help you see the big picture, giving you a fresh perspective on the way that the pieces of your life fit together. Every chapter of The Purpose Driven Life provides a daily meditation and practical steps to help you uncover and live out your purpose, starting with exploring three essential questions: The Question of Existence: Why am I alive? The Question of Significance: Does my life matter? The Question of Purpose: What on earth am I here for? Each copy of The Purpose Driven Life also includes thoughtful discussion questions, audio Bible studies that go along with every chapter, and access to a supportive online community, giving you the opportunity to dive even deeper into each life-changing lesson.
