rubrics center for teaching learning Jul 10 2021 rubrics aren t just for summative  
evaluation they can be used as a teaching tool as well when used by students as part of a  
formative assessment they can help students understand both the holistic nature and or  
specific analytics of learning expected the level of learning expected and then make  
decisions about their current level of learning to inform revision and improvement  
how to write a history book review history college of liberal Apr 26 2020 writing a book  
review is one of the fundamental skills that every historian must learn an undergraduate  
student s book review should accomplish two main goals lay out an author s argument and most  
importantly critique the historical argument it is important to remember that a book review  
is not a book report you need to do more than simply lay out the contents or
