*the main causes of world war i worldatlas* Jan 28 2020 jul 25 2018

world war i was the first global war of the 20th century taking place

between july 28 1914 and november 11 1918 the causes of the war are

complicated though germany was blamed for the start of the war some

historians argue for collective responsibility between the warring parties

the main short term and long term causes of the war are
