Almost A Miracle: The American Victory in the War of Independence Jan 15 2021 In this gripping chronicle of America's struggle for independence, award-winning historian John Ferling transports readers to the grim realities of that war, capturing an eight-year conflict filled with heroism, suffering, cowardice, betrayal, and fierce dedication. As Ferling demonstrates, it was a war that America came much closer to losing than is now usually remembered. General George Washington put it best when he said that the American victory was "little short of a standing miracle." *Almost a Miracle* offers an illuminating portrait of America's triumph, offering vivid descriptions of all the major engagements, from the first shots fired on Lexington Green to the surrender of General Cornwallis at Yorktown, revealing how these battles often hinged on intangibles such as leadership under fire, heroism, good fortune, blunders, tenacity, and surprise. Ferling paints sharp-eyed portraits of the key figures in the war, including General Washington and other American officers and civilian leaders. Some do not always measure up to their iconic reputations, including Washington himself. The book also examines the many faceless men who soldiered, often for years on end, braving untold dangers and enduring abounding miseries. The author explains why they served and sacrificed, and sees them as the forgotten heroes who won American independence.

The Verdict of Battle Nov 24 2021 Slaughter in battle was once seen as a legitimate way to settle disputes. When pitched battles ceased to exist, the law of victory gave way to the rule of unbridled force. Whitman explains why ritualized violence was more effective in ending carnage, and why humanitarian laws

that view war as evil have led to longer, more barbaric conflicts.

The Impulse of Victory Dec 26 2021 How Grant secured a Tennessee victory and a promotion Union soldiers in the Army of the Cumberland, who were trapped and facing starvation or surrender in the fall of 1863, saw the arrival of Major General Ulysses S. Grant in Tennessee as an impetus to reverse the tides of war. David A. Powell's sophisticated strategic and operational analysis of Grant's command decisions and actions shows how his determined leadership relieved the siege and shattered the enemy, resulting in the creation of a new strategic base of Union operations and Grant's elevation to commander of all the Federal armies the following year. Powell's detailed exploration of the Union Army of the Cumberland's six-week-long campaign for Chattanooga is complemented by his careful attention to the personal issues Grant faced at the time and his relationships with his superiors and subordinates. Though unfamiliar with the tactical situation, the army, and its officers, Grant delivered another resounding victory. His success, explains Powell, was due to his tactical flexibility, communication with his superiors, perseverance despite setbacks, and dogged determination to win the campaign. Through attention to postwar accounts, Powell reconciles the differences between what happened and the participants' memories of the events. He focuses throughout on Grant's controversial decisions, showing how they were made and their impact on the campaign. As Powell shows, Grant's choices demonstrate how he managed to be a thoughtful, deliberate commander despite the fog of war.

Hometown Victory Oct 31 2019 The Blindside meets Friday Night Lights in Keanon Lowe's Hometown Victory when an NFL coach returns home after losing a friend to coach a team of struggling high school kids on a 23-game losing streak. Keanon Lowe was working as an offensive analyst for the San Francisco 49ers when his childhood friend and former high school teammate suddenly died from an opioid overdose. Keanon

dropped everything--including the plum NFL job he had been working towards since childhood--leading him to a position as football coach at a struggling high school back in his hometown. At the time, Parkrose High School was in the middle of a 23-game losing streak--they were the ultimate underdogs. In many ways, the road to Parkrose was paved by Keanon's life-defining experiences--from a childhood spent dodging racist bullies and finding the support and mentorship he craved on the football team, to an NFL season where he worked closely with Colin Kaepernick as he evolved his sideline protest. Keanon was drawn to the young men on the Parkrose team, and to the school itself. After two years, he pushed them to become conference champions, mentoring countless players along the way. But still, there was that nagging sense that his calling wasn't meant to stop there. He was at that school for a reason. In May 2019, he got his answer when a 19-year-old student entered a Parkrose classroom with a trench coat and shotgun. Keanon disarmed him and pulled the boy into a hug, telling him he cared. In the boy, Keanon saw himself, and the young men he grew up with or mentored along the way--and weren't so many of them just looking for acceptance, for comfort, for love? With the heart of favorite football classics--The Blindside, Friday Night Lights, Remember the Titans--Keanon's journey at Parkrose is the true account of a life spent striving forward, even when faced with the unimaginable. *Hometown Victory* is a story about gratitude, service, and most of all, hope.

The Good, the Bad, the Victory Sep 30 2019 What does victory mean to you? Victory has been commonly defined as the overcoming of an enemy or antagonist. In life, many of us have had to triumph over trials and tribulations to meet particular goals. Those who do not allow hardships to defeat them are known as overcomers. When it comes to becoming a nurse, or enduring a nursing career, it is known that the schooling is rigorous, the work is tough, the shifts are long and there are

some nights that we cannot sleep due to thinking about the shift before. This anthology was created to inspire nurses, future nurses and women everywhere to not give up when hard times come. You see, after the rain comes the sunshine. These ladies have endured some hard times, tough situations and unbelievable circumstances. At the end of it all, they have graduated into becoming excellent nurse professionals, who believe in the call that has been placed upon their lives. Their mission is simple: To help in making every life that they touch better than before. The women in this anthology are Mothers, Daughters, Sisters, Advanced Practice Nurses, Doctors of Nursing Practice and Nurse Entrepreneurs. Please take a moment and stroll with them through the agony of defeat and the thrill of victory. Share this book with your favorite nurse, relative or friend and encourage them to continue toward their pinnacle of VICTORY.

History of Christian Names Jul 09 2020

Victory On The Potomac Feb 13 2021 War is waged not only on battlefields. In the mid-1980s a high-stakes political struggle to redesign the relationships among the president, secretary of defense, Joint Chiefs of Staff, chairman of the Joint Chiefs, and warfighting commanders in the field resulted in the Goldwater-Nichols Act of 1986. Author James R. Locher III played a key role in the congressional effort to repair a dysfunctional military whose interservice squabbling had cost American taxpayers billions of dollars and put the lives of thousands of servicemen and women at risk. Victory on this front helped make possible the military successes the United States has enjoyed since the passage of the bill and to prepare it for the challenges it must still face. Victory on the Potomac provides the first detailed history of how Congress unified the Pentagon and does so with the benefit of an insider's view. In a fast-paced account that reads like a novel, Locher follows the bill through congressional committee to final passage, making clear that the process is neither abstract

nor automatic. His vivid descriptions bring to life the amazing cast of this real-life drama, from the straight-shooting chairman of the Senate Armed Services Committee, Barry Goldwater, to the peevisly stubborn secretary of defense, Caspear Weinberger. Locher's analysis of political maneuvering and bureaucratic infighting will fascinate anyone who has an interest in how government works, and his understanding of the stakes in military reorganization will make clear why this legislative victory meant so much to American military capability. James R. Locher III, a graduate of West Point and Harvard Business School began his career in Washington as an executive trainee in the Office of the Secretary of Defense. He has worked in the White House, the Pentagon, and the Senate. During the period covered by this book, he was a staff member for the Senate Committee on Armed Services. Since then, he has served as an assistant secretary of defense in the first Bush and the early Clinton administrations. Currently, he works as a consultant and lecturer on defense matters.

Victory May 31 2022 In the vein of Taylor Branch's classic Parting of the Waters, Supreme Court lawyer and political pundit Linda Hirshman delivers the enthralling, groundbreaking story of the gay rights movement, revealing how a dedicated and resourceful minority changed America forever. When the modern struggle for gay rights erupted in the summer of 1969, forty-nine states outlawed sex between people of the same gender. Four decades later, in 2011, New York legalized gay marriage and the armed services stopped enforcing Don't Ask, Don't Tell. Successful social movements are always extraordinary, but these advances seem like something of a miracle. Linda Hirshman recounts the long roads that led to these victories, detailing the remarkable and revolutionary story of the movement that has blurred rigid gender lines, altered the shared culture, and broadened our definitions of family. Written in vivid prose, at once emotional and erudite, Victory is an utterly vibrant work of

reportage and eyewitness accounts and demonstrates how, in a matter of decades, a focused group of activists forged a classic campaign for cultural change that will serve as a model for all future political movements. “Remarkable for its emotional punch as for its historical insight.”—New York Times Book Review

Ashes Of Victory Sep 22 2021 Although The People's Republic of Haven believed Honor Harrington to be already dead and announced her execution, she returned from the prison planet called Hell, ready to aid the Allies' cause in the war.

The Hungarians Feb 25 2022 An updated new edition of a classic history of the Hungarians from their earliest origins to today In this absorbing and comprehensive history, Paul Lendvai tells the fascinating story of how the Hungarians, despite a string of catastrophes and their linguistic and cultural isolation, have survived as a nation for more than one thousand years. Now with a new preface and a new chapter that brings the narrative up to the present, the book describes the evolution of Hungarian politics, culture, economics, and identity since the Magyars first arrived in the Carpathian Basin in 896. Through colorful anecdotes of heroes and traitors, victors and victims, revolutionaries and tyrants, Lendvai chronicles the way progressivism and economic modernization have competed with intolerance and narrow-minded nationalism. An unforgettable blend of skilled storytelling and scholarship, *The Hungarians* is an authoritative account of this enigmatic and important nation.

The Bona Fide Legend of Cool Papa Bell Feb 02 2020 The first full biography of the star Negro Leaguer and Hall of Famer James “Cool Papa” Bell (1903-1991) was a legend in black baseball, a lightning fast switch hitter elected to the National Baseball Hall of Fame in 1974. Bell’s speed was extraordinary; as Satchel Paige famously quipped, he was so fast he could flip a light switch and be in bed before the room got dark. In *The Bona Fide Legend of Cool Papa Bell*, experienced baseball writer and historian Lonnie Wheeler recounts the life of this extraordinary player, a key

member of some of the greatest Negro League teams in history. Born to sharecroppers in Mississippi, Bell was part of the Great Migration, and in St. Louis, baseball saved Bell from a life working in slaughterhouses. Wheeler charts Bell's ups and downs in life and in baseball, in the United States, the Dominican Republic, and Mexico, where he went to escape American racism and MLB's color line. Rich in context and suffused in myth, this is a treat for fans of baseball history.

3 Steps to Victory Aug 22 2021 Lasting victory is only three steps away. Do you struggle spiritually, physically, professionally, or in your closest relationships? We all want success in every area of life. Here is the good news: if you are a follower of Jesus, He has already given you a way to overcome these struggles. In this three-part study designed for individual reflection or group experience, Pastor Robert Morris shares how to achieve personal victory. He explains the importance of: Aligning your words and thoughts with God's Word Allowing the Bible to transform your mind, will, and emotions Experiencing God's presence and power with other believers This study will challenge you, inspire you, and give you the practical steps to become more than a conqueror! Robert Morris is the founding lead senior pastor of Gateway Church in the Dallas/Fort Worth Metroplex. He desires to see people thrive in their spiritual lives. Robert is the author of numerous best-selling books, including *The Blessed Life* and *Take the Day Off*.

Christian Science Sentinel Aug 29 2019

Good Roads Jun 19 2021

Return to Glory Jan 27 2022 "This page-turning combination of business book and adventure saga tells the tale of the Ford Motor Company's" 2016 triumph at Le Mans (The New York Times, "10 New Books We Recommend This Week"). At the 2015 Detroit Auto Show, Ford unveiled a new car—and the automotive world lost its collective mind. This wasn't some new Explorer or Focus. Onto the stage rolled a carbon-fiber GT powered by a six-cylinder

Ecoboost engine that churned out over 600 horsepower. It was sexy and jaw dropping, but, more than that, it was a callback to the legendary Ford GT40 Mk IIs that stuck it to Ferrari and finished 1-2-3 at Le Mans in 1966. Detroit was back, and Ford was going back to Le Mans. Matthew DeBord, a veteran auto industry journalist, tells the incredible story of Ford's resurgence in *Return to Glory*. A decade ago, CEO Alan Mulally took over the iconic company and, thanks to his "One Ford" plan, helped it weather the financial crisis without a government bailout. DeBord revisits the story of the 1960s, details the creation of the new GT, and follows the team through the racing season—from Daytona to Sebring and Laguna Seca in Monterey. Finally, DeBord joins the Ford team in Le Mans in June 2016. This fabled twenty-four-hour endurance race is designed to break cars and drivers, and it was at Le Mans, fifty years after the company's greatest triumph, that Ford's comeback was put to the ultimate test.

Way Too Cool Mar 05 2020 Life, liberty, and the pursuit of cool have informed the American ethos since at least the 1970s. Whether we strive for it in politics or fashion, cool is big business for those who can sell it across a range of markets and media. Yet the concept wasn't always a popular commodity. Cool began as a potent aesthetic of post-World War II black culture, embodying a very specific, highly charged method of resistance to white supremacy and the globalized exploitation of capital. *Way Too Cool* follows the hollowing-out of "coolness" in modern American culture and its reflection of a larger evasion of race, racism, and ethics now common in neoliberal society. It revisits such watershed events as the 1960s Civil Rights Movement, second-wave feminism, the emergence of identity politics, 1980s multiculturalism, 1990s rhetorics of diversity and colorblindness, 9/11, and Hurricane Katrina, as well as the contemporaneous developments of rising mass incarceration and legalized same-sex marriage. It pairs the perversion of cool with the slow erasure of racial and ethical issues from our social consciousness, which

effectively quashes our desire to act ethically and resist abuses of power. The cooler we become, the more indifferent we grow to the question of values, particularly inquiry that spurs protest and conflict. This book sounds an alarm for those who care about preserving our ties to an American tradition of resistance.

Brian's Victory Oct 04 2022

Be of Good Cheer Mar 29 2022 Robert C. McQuilkin writes about the five "victory" commands of Jesus in the New Testament, all of which are centered around the single word in the original text that has often been translated "Be of Good Cheer." This particular word, he writes, "is a command to have peace and joy and rest and gladness and comfort and strength. It is a command to conquer discouragement, disappointment, despondency, or despair." It's a timeless message that's just as relevant today as when it was written.

The Phoney Victory Jan 03 2020 Was World War II really the 'Good War'? In the years since the declaration of peace in 1945 many myths have sprung up around the conflict in the victorious nations. In this book, Peter Hitchens deconstructs the many fables which have become associated with the narrative of the 'Good War'. Whilst not criticising or doubting the need for war against Nazi Germany at some stage, Hitchens does query whether September 1939 was the right moment, or the independence of Poland the right issue. He points out that in the summer of 1939 Britain and France were wholly unprepared for a major European war and that this quickly became apparent in the conflict that ensued. He also rejects the retroactive claim that Britain went to war in 1939 to save the Jewish population of Europe. On the contrary, the beginning and intensification of war made it easier for Germany to begin the policy of mass murder in secret as well as closing most escape routes. In a provocative, but deeply-researched book, Hitchens questions the most common assumptions surrounding World War II, turning on its head the myth of Britain's role in a 'Good War'.

Florists' Review Jul 29 2019

Triumph Victory Of The Good Oct 24 2021

Victory Nov 05 2022

The Victory Dogs Sep 10 2020 *The Victory Dogs* is the incredible story of two puppies who become heroes of the blitz. A heartwarming story for 9+ readers who are fans of Michael Morpurgo's *War Horse* and Lauren St John. BARK and HOWL are two puppies, born on the London underground SHEBA is an elderly one-eared cat When the Blitz begins, how will they survive? It's the start of the Second World War and Bark and Howl are lost in the dark maze of tunnels under London. With Sheba's help, they learn how to survive. But when the bombs begin to fall, the puppies become separated. As the attacks continue, Bark and Howl are frightened, but they know the tunnels so well - they're the only ones who can lead hundreds of trapped people out of danger. Will Bark and Howl find each other - and be victorious in leading Londoners to safety? 'If you love Michael Morpurgo, you will enjoy this' Express 'A moving tale told with warmth, kindness and lashings of good sense that lovers of Dick King-Smith will especially appreciate' The Times 'Every now and then a writer comes along with a unique way of storytelling . . . Meet Megan Rix . . . her novels are deeply moving and will strike a chord with animal lovers.' LoveReading About the author: Megan Rix lives in England with her husband, and their adorable dogs, Traffy and Bella. Also available by Megan Rix: *The Great Escape*

The Efficacy of Courage in a Good Cause Oct 12 2020

Bitter Victory Apr 29 2022 *Bitter Victory* illuminates a chapter of World War II that has lacked a balanced, full-scale treatment until now. In recounting the second-largest amphibious operation in military history, Carlo D'Este for the first time reveals the conflicts in planning and the behind-the-scenes quarrels between top Allied commanders. The book explodes the myth of the Patton-Montgomery rivalry and exposes how Alexander's inept

generalship nearly wrecked the campaign. D'Este documents in chilling detail the series of savage battles fought against an overmatched but brilliant foe and how the Germans—against overwhelming odds—carried out one of the greatest strategic withdrawals in history. His controversial narrative depicts for the first time how the Allies bungled their attempt to cut off the Axis retreat from Sicily, turning what ought to have been a great triumph into a bitter victory that later came to haunt the Allies in Italy. Using a wealth of original sources, D'Este paints an unforgettable portrait of men at war. From the front lines to the councils of the Axis and Allied high commands, *Bitter Victory* offers penetrating reassessments of the men who masterminded the campaign. Thrilling and authoritative, this is military history on an epic scale.

Victory at Yorktown Aug 02 2022 General Washington ends a three-year stalemate and embarks on a secret three-hundred-mile forced march of his entire army to meet the French navy's Chesapeake Bay blockade and capture Cornwallis's entire force.

Certain Victory Jul 01 2022 The official U.S. Army account of Army performance in the Gulf War, *Certain Victory* was originally published by the Office of the Chief of Staff, U.S. Army, in 1993. Brig. Gen. Scales, who headed the Army's Desert Storm Study Project, offers a highly readable and abundantly illustrated chronicle.

The Duroc Bulletin Jun 27 2019

Victory of Eagles Jul 21 2021 Separated and condemned by their own allies, Laurence and Temeraire face the deadly onslaught of Napoleon's armies.

<http://www.temeraire.org/index.cgi?pagetype=writing>.

Cartoons for Victory May 07 2020 The home front during World War II was one of blackouts, Victory Gardens, war bonds and scrap drives. It was also a time of social upheaval with women on the assembly line and in the armed forces and African-Americans serving and working in a Jim Crow war effort. See how Superman,

Donald Duck, Mickey Mouse and others helped fight World War II via comic books and strips, single-panel and editorial cartoons, and even ads. Cartoons for Victory showcases wartime work by cartoonists such as Charles Addams (The Addams Family), Harold Gray (Little Orphan Annie), Harvey Kurtzman (Mad magazine), Will Eisner, as well as many other known cartoonists. Over 90% of the cartoons and comics in this book have not been seen since their first publication.

Victory For Victoria Apr 17 2021 SHE NEEDED TO BELIEVE IN HERSELF! Victoria was a very pretty girl, but with three sisters even prettier than she was, Victoria had developed a bit of a complex about her looks. So when attractive Alexander van Schuylen made it clear he liked her, she really didn't expect much more from him. How could she, when he was so impressed with her sisters' beauty? But if his feelings for Victoria actually did run deep, she could be in danger of losing him—entirely through her own fault!

Victory on the Walls Aug 10 2020 Thirteen-year-old Bani, though born in Jerusalem, has lived from infancy with his uncle in beautiful Susa, the city of the Persian King Artaxerxes. Now, his Uncle Nehemiah wants to leave his position of high honor as Cupbearer to the King to return to Jerusalem, a city in ruins and beset by every kind of trouble! Nehemiah's request of the king, permission to return to help his own people, could so easily—in an empire riddled with political intrigue—be misconstrued as treasonous scheming. Bani himself is given an unexpected part to play, the outcome of which is to forever change his life. Seen through the eyes of Bani, this novel dramatizes a turning-point of history, in 445 BC, when—through confrontation and daring risks—Judaism was re-established in the Promised Land, and purified for her unfolding mission.

The Tide of Victory Sep 03 2022 AN EVIL The creators of the monster called Link once were human, but that was distant ages in their past. Now, from the far future, they have sent their

creation back to shape the world of the 6th century AD into the form that will make their own foul existence possible. Taught and ruled by Link, the Malwa Empire has spread from the Indus Valley, across India and into Mesopotamia. Its inhuman master has chosen its instruments from the most brutal and degraded members of humanity, and they have served its monstrous ends well. A GUIDE Those in the future who never were human have sent their own messenger to the past: Aide, a gleaming jewel who can warn but not lead; who can teach the construction of new weapons but cannot wield those weapons himself. Aide has come to Belisarius, the greatest general of the 6th century and perhaps any century. Between them they have forged an alliance of all the world against evil^{3/4}and an army that can be the spear through evil's heart. A CRUSADE With lancers and breech-loading rifles, with steamships and with galleys, Belisarius is marching into the Malwa heartland. In a world aflame with treachery, assassination, and slaughter beyond anything save the battles of mythology, he and his companions know only one sure thing: if they fail, their whole world is doomed to living Hell^{3/4}for all time! A VICTORY! Politics, battle, and heroic adventure in a vivid alternate past! At the publisher's request, this title is sold without DRM (Digital Rights Management).

The Victory Garden Cookbook Dec 14 2020 This complete compendium of vegetable cookery covers techniques for the garden and preparation counter as well as the stove--and microwave--and includes 800 recipes

Father & Sun May 19 2021 Some say family is everything. Some say family are just people we're assigned to at birth. Trey Amana, a forty-something, hardworking father of two, discovered his dad's death five years ago on the day after Christmas. Although Trey has grieved and prioritized his health, holiday music and decorations trigger painful memories. To take the final step toward healing the loss while saving extra cash for his holiday-obsessed kids, Trey decides to close his late father's storage unit

once and for all. Trey discovers a journal written during his father's college years. His dad, Art, reveals an outrageous family secret driving Trey into a wormhole of suspicions. With family members en-route to Trey's home, Trey is burdened by the need for answers while somehow producing a hospitable Christmas. *Father & Sun* explores how secrets and well-meaning motivations from the past can have a counteractive generational impact. *Father & Sun* contemplates life in the shadows or life standing on the Sun (owning one's truth), speaking to the passing of the torch from father to son, what it means to be honorable, and the spiritual, emotional, and mental effect on heirs.

[Daughters of Victory](#) Apr 05 2020 From the acclaimed author of *The Last Checkmate* comes a brilliant novel spanning from the Russian Revolution to the Nazi occupation of the Soviet Union and following two unforgettable women...their fates intertwined by ties of family and interrupted by the tragedy of war. Perfect for readers of Kate Quinn, Pam Jenoff, and Elena Gorokhova. *Russia 1917: Beautiful, educated Svetlana Petrova defied her stifling aristocratic family to join a revolution promising freedom. Now, released after years of imprisonment, she discovers her socialist party vying for power against the dictatorial Bolsheviks and her beloved uncle, a champion of her cause, was murdered by a mysterious assassin named Orlova. Her signature? Blinding her victims before she kills them. Svetlana resolves to avenge his death by destroying this vicious opponent, even as she longs to reunite with the daughter she has not seen in years. USSR 1941: Now living in obscurity in a remote village, Svetlana opens her home to Mila Rozovskaya, the eighteen-year-old granddaughter from Leningrad she has never met. She hopes to protect Mila from the oncoming Nazi invasion, but when the enemy occupies the village, Svetlana sees the young woman fall under the spell of the resistance--echoing her once-passionate idealism. As Mila takes up her fight, dangerous secrets and old enemies soon threaten all Svetlana holds dear. To protect her family, she must*

confront her long-buried past--yet if the truth emerges victorious, it holds the power to save or shatter them. A risk Svetlana has no choice but to take.

Shadow of Victory Nov 12 2020 The Mesan Alignment is revealed, and, for Honor Harrington and the Manticoran Star Kingdom, this means war! Unintended Consequences Sometimes things don't work out exactly as planned. The Mesan Alignment has a plan—one it's been working on for centuries. A plan to remake the galaxy and genetically improve the human race—its way. Until recently, things have gone pretty much as scheduled, but then the Alignment hit a minor bump in the road called the Star Empire of Manticore. So the Alignment engineered a war between the Solarian League, the biggest and most formidable interstellar power in human history. To help push things along, the Alignment launched a devastating sneak attack which destroyed the Royal Manticoran Navy's industrial infrastructure. And in order to undercut Manticore's galaxy-wide reputation as a star nation of its word, it launched Operation Janus—a false-flag covert operation to encourage rebellions it knows will fail by promising Manticoran support. The twin purposes are to harden Solarian determination to destroy the Star Empire once and for all, and to devastate the Star Empire's reputation with the rest of the galaxy. But even the best laid plans can have unintended consequences, and one of those consequences in this case may just be a new dawn of freedom for oppressed star nations everywhere. About Shadow of Freedom: "This entry is just as exciting as Weber's initial offering . . . The result is a fast-paced and action-packed story that follows [our characters] as they move from reaction to command of the situation. Weber builds Shadow of Freedom to an exciting and unexpected climax."—Daily News of Galveston About Mission of Honor, #13 in the Honor Harrington series: "Weber combines realistic, engaging characters with intelligent technological projection and a deep understanding of military bureaucracy in this long-awaited

Honor Harrington novel . . . Fans of this venerable space opera will rejoice to see Honor back in action.”—Publishers Weekly
“This latest Honor Harrington novel brings the saga to another crucial turning point . . . Readers may feel confident that they will be Honored many more times and enjoy it every time.”—Booklist
About David Weber and the Honor Harrington series: “. . . everything you could want in a heroine . . . Excellent . . . plenty of action.”—Science Fiction Age
“Brilliant! Brilliant! Brilliant!”—Anne McCaffrey
“Compelling combat combined with engaging characters for a great space opera adventure.”—Locus
Days of Defeat and Victory (Jackson School Publications in International Studies) Jun 07 2020
Though still in his forties, Gaidar has already played a pivotal role in contemporary Russian political history, championing the cause of dramatic economic reform, aggressive privatization of state enterprises, and painful fiscal discipline in the face of widespread popular resistance.”--BOOK JACKET.

Breakfast at the Victory Dec 02 2019 "This was true mystical vision. This I could never have anticipated. But I knew that we were both on the same galactic journey into the great void that contains us all. I was standing before a boundlessness that could swallow the stars in a heartbeat."--from *Breakfast at the Victory*
